

February 5, 2018

Hello,

Please see the announcement below from DHS regarding a case management training survey. Please try to complete the survey by Feb. 7th if possible.

Date: Feb. 2, 2018

To: HCBS waiver case managers, contracted case managers, care coordinators, Rule 185 case managers, VA/DD and relocation service coordination targeted case managers and supervisors of the above

From: DHS Aging and Adult Services and Disability Services divisions

Purpose: To ask case managers to complete a survey to help DHS identify case management training gaps, determine important training topics and capture preferred training methods.

Effective: Immediately

Contact information: DSD.RRS@state.mn.us

Case management training survey

We heard your requests for additional training, and we are working to deliver.

DHS asks you to take our [case management training survey](#). This survey asks you to rate training topics that are essential for your work. It will help us focus our efforts to meet your needs. The list of training topics is not exhaustive, so, as you complete the survey, please add topics that we missed.

Goals

We will use the results of this survey to:

- Identify training gaps

- Determine which core training topics are the most critical to your needs
- Capture preferred training methods.

Note: DHS will incorporate person-centered principles and skills into every new training we create in order to build everyone's person-centered practices.

Deadline

If you can, please complete this survey by Feb. 7, 2018. The survey will close Feb. 16, 2018.

Share this message

We want everyone's input. Please forward this survey to your colleagues who are:

- HCBS waiver case managers
- Contracted case managers
- Care coordinators
- Rule 185 case managers
- VA/DD and relocation service coordination targeted case managers
- Case manager supervisors.

Thank you so much for your time and assistance!
