### Consumer Directed Community Supports (CDCS) Change to Fiscal Services

On Monday (10/15/18), an [eList](#) notification was published that describes the transition from FSE (fiscal support entity) to FMS (Financial Management Services) for CDCS participants which will be effective March 31, 2019.

Some information in the [eList](#) notification does not apply to MCOs; such as directions on how to change service agreements once the participant selects their FMS provider.

- Members can choose to continue receiving services from their current FSE if they are listed as an FMS provider, but because provider numbers will change:
  - Care Coordinators should review their members to see if any are on CDCS and send in a **NEW** Waiver Service Approval form (WSAF) to UCare once the member has chosen a new provider.

As a reminder, members must actively choose a FMS provider before the authorization for FMS services can begin prior to March 31, 2019.

See info below for additional information:

- [Participant letters](#) that were mailed.
- The [elist](#) has been published to provide instructions to lead agencies.
- [Rate sheets](#) have been published.
- [Public web pages](#) have been updated.

CDCS Policy Pages have been published:
