Care Coordination Requirements Grid
Effective 01.01.2023**

The assigned Care Coordinator (CC) must meet the required definition of a qualified professional*. Care coordination services incorporate case management and consist of a comprehensive assessment of the member’s condition, the development and implementation of an individualized support plan with performance goals, and monitoring and follow-up, as described in the grid below.

CONNECT AND CONNECT + MEDICARE REQUIREMENTS GRID	
<u>Initial Assignment</u>	<p>Initial assignment is the first day the care system or county receives the care coordination enrollment roster. ALL members enrolled in Connect and Connect + Medicare are required to be offered a face-to-face Health Risk Assessment.</p> <p>Upon receiving the monthly enrollment roster, the care coordinator (CC) is required to:</p> <ul style="list-style-type: none"> • Provide the member with the name and phone number of the CC within 10 calendar days of initial assignment. <ul style="list-style-type: none"> ○ This may be done by phone or letter and must be documented in the case record. If contact is by letter, the CC must use UCare’s approved Connect/Connect + Medicare Welcome Letter (for new members) or Change of Care Coordinator Letter (for transferred members) found on the UCare website. ○ Document verification of eligibility and waiver status via MN-ITS*.
<u>Initial Contact</u>	<p>The CC is required to:</p> <ul style="list-style-type: none"> • Contact the member to complete an assessment within 60 days of enrollment*. <ul style="list-style-type: none"> ○ Document a minimum of 4 actionable attempts* or fewer if member is reached. <ul style="list-style-type: none"> ▪ Contacts may be by phone, face-to-face, or email on different days, at different times, and by using the Unable to Reach Member Letter on the UCare website. <p style="text-align: center;">NOTE: Sending the Welcome Letter is not considered an attempt to contact the member.</p> ○ Proceed with appropriate assessment type below.
ASSESSMENTS	
<u>New Member/Initial Health Risk Assessment (HRA)</u>	<p>A member that is newly enrolled into UCare Connect or Connect + Medicare and has not had a previous assessment entered in MMIS* within the last 365 days. Members with previous coverage that experience a gap due to loss of MA eligibility (IE: exceeding 90-day grace period) are treated as a NEW member if re-enrolled. The assessment used for Connect and Connect + Medicare is Health Risk Assessment (DHS-3428H).</p> <p>CC is required to:</p> <ul style="list-style-type: none"> • Contact the member per <i>Initial Assignment</i> and <i>Initial Contact</i> sections. • Members on waiver: Document outreach to waiver case manager. Definitions/Acronyms	
Term/Acronym	Definition
Actionable Attempts	An attempt to reach the member where the member can actively respond. This includes a message left on a known working number, letter mailed to a known address at least two days apart or a secure email sent to a known email address. Phone and email attempts are made on different dates and varying times. Unable to Reach Member Letter should be your 4 th attempt.
Assignment Date	Date the member is assigned to the delegate via the monthly enrollment roster.
CAC/CADI/DD/BI/EW	Home and Community Based Waiver Types: Community Alternative Care (CAC)/Community Access for Disability Inclusion (CADI)/Developmental Disability (DD))/Brain Injury (BI)/Elderly Waiver (EW).
Caregiver Support	A caregiver is a non-paid person that, without their help, paid services would have to be put into place. If there already are services in place, a caregiver is someone who provides care beyond reimbursed hours/service. Caregiver assessment located on eDocs DHS-6914.
Change of Condition	UCare requires care coordinators to conduct an additional HRA in the event of a significant change in a member's condition. Care coordinators may also conduct a reassessment in the event of a care transition that would involve significant health changes, repeated or multiple falls, recurring hospital readmissions or emergency room visits. All care coordinators are Qualified Professionals, and UCare depends on the use of their clinical, professional judgment to determine whether a change in condition or care transition warrants a reassessment.
CSP/CSSP	Community Support Plan/Coordinated Services & Supports Plan. These forms are used following a MnCHOICES Assessment.
