Confirmation of Member Death

Care Coordinators (CC) may view MN Death Search 1997 to Present – Mn Dept of Health to verify death.

UCare may update member death status when specific supporting documents are received as indicated below. Care Coordinators help to provide education to the appropriate member representatives about how to submit documents to confirm death to UCare. If CC is able to obtain documents, please attach with the Death Notification Form submission.

Alternatively, provide member representative the mailing address to submit.
