

Dispose of Medications Safely

Safely disposing of expired, unused, or unneeded medications is important for everyone! Here are some ideas for how to make sure your medications are properly and promptly discarded.

The *Wrong* Way to Dispose of Medications

- Don't flush medications down the toilet or drain without consulting the FDA Flush List.
 - The list of medications that can be flushed can be found at www.fda.gov/drugs/disposal-unused-medicines-what-you-should-know/drug-disposal-fdas-flush-list-certain-medicines
- Don't put medications into the trash can without following the steps below.
- Medications can pollute the water and/or harm people and animals if improperly discarded

The *Right* Way to Dispose of Medications

- The preferred method of disposal is using a community drop off location, such as a participating pharmacy or with local law enforcement, where you can bring in medications for free.
 - You can search for locations near you on the DEA website at www.apps2.deadiversion.usdoj.gov/pubdispsearch/spring/main?execution=e2s1 or using the resource www.disposemy meds.org/medicine-disposal-locator/
 - The DEA has resources such as a call center that can be reached at 800-882-9539 or online at www.deatakeback.com
 - You may find options to mail medications to authorized sites or details on the annual National Prescription Drug Take Back Day
 - Two community sites in your area include:
 - <site 1 based on location>
 - <site 2 based on location>
 - You can dispose of medications in your household trash using the following steps:
 - Remove any personal information from prescription bottles and take the medications out of their original containers
 - Place the medications inside a disposable container such as a plastic bag
 - Mix an undesirable substance such as coffee grounds, dirt, or kitty litter into the container and place it in the trash
 - For more information about drug disposal, please visit the FDA website at www.hhs.gov/opioids/prevention/safely-dispose-drugs/index.html
-

Safe medication disposal is important for all types of medications including controlled and non-controlled prescriptions, over the counter medications, and supplements. Please be sure to dispose of unneeded medications as soon as possible. It's a great idea to go through your medicines several times per year to help keep you and your family safe.

Thank you for participating in safe medication disposal!

Notice of Nondiscrimination

UCare complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. UCare does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

We provide aids and services at no charge to people with disabilities to communicate effectively with us, such as TTY line, or written information in other formats, such as large print.

If you need these services, contact us at **612-676-3200 (voice)** or toll free at **1-800-203-7225 (voice)**, **612-676-6810 (TTY)**, or **1-800-688-2534 (TTY)**.

We provide language services at no charge to people whose primary language is not English, such as qualified interpreters or information written in other languages.

If you need these services, contact us at the **number on the back of your membership card** or **612-676-3200** or toll free at **1-800-203-7225 (voice)**; **612-676-6810** or toll free at **1-800-688-2534 (TTY)**.

If you believe that UCare has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file an oral or written grievance.

Oral grievance

If you are a current UCare member, please call the number on the back of your membership card. Otherwise please call **612-676-3200** or toll free at **1-800-203-7225 (voice)**; **612-676-6810** or toll free at **1-800-688-2534 (TTY)**. You can also use these numbers if you need assistance filing a grievance.
