Important Information

- Allow up to 14 calendar days for a non-urgent authorization decision.
- All services are subject to member eligibility and benefit coverage.
- For services that require an authorization, failing to obtain the authorization in advance may result in a denied claim.
- If you are not able to obtain services in your network, you may submit a prior authorization request prior to services.
- UCare reserves the right to review and verify medical necessity for all services.
- Inclusion or exclusion of a code listed does not constitute or imply member coverage or provider reimbursement.
- Authorization is not required for prosthetics and/or orthotics.
- Providers may request a copy of the criteria used to make a medical necessity determination on [UCare's website](#).
- Provider of service qualifications, eligibility and licensure requirements must be met to provide services and submit claims to UCare.
- Contact the UCare Provider Assistance Center (612-676-3300 or 1-888-531-1493) for information on eligibility, benefits and network status.

Forms

- [UCare Authorization and Notifications Forms](#)

Prescription Drugs and Medical Injectable Drugs

- The [Medical Drug Policies](#) library is a list of medical injectable drugs that require prior authorization and the policies that contain coverage criteria.
- The formulary page, located on ucare.org/providers indicates which drugs are covered under the pharmacy benefit.

Delegated Services

Information on how to request authorization for the following services can be found at: ucare.org/providers. UCare is the contract resource for all authorization service requests, concerns and questions, unless noted otherwise within delegated services.

- Acupuncture
- Chiropractic
- Dental
- Pharmacy

Requirement Definitions

Approval Authority	UCare, or an organization delegated by UCare, to approve or deny prior authorization requests.
Notification	The process of informing UCare, or delegates of UCare, of a specific medical treatment or service prior to, or within a specified time period after, the start of the treatment or service.
Pre-Service Determination (PSD)	An enrollee, or a provider acting on behalf of the enrollee, always has the right to request a pre-service determination if there is a question as to whether an item or service will be covered by the plan.
Prior Authorization	An approval by an approval authority prior to the delivery of a specific service or treatment. Prior authorization requests require a clinical review by qualified, appropriate professionals to determine if the service or treatment is medically necessary, an eligible, appropriate, expense and that other alternatives have been considered.
