PAYMENT POLICY INSTRUCTIONS

A payment policy assists in determining provider reimbursement for specific covered services. To receive payment, the provider must be in a contractual relationship with UCare and provide services to a member enrolled in one of UCare’s products. This payment policy is intended to provide a foundation for system configuration, work instructions, call scripts, and provider communications. A payment policy describes the rules for payment, which include applicable fee schedules, additional payment rules by regulatory bodies, and contractual terms. This policy is a general guideline and may be superseded by specific provider contract language.

PAYMENT POLICY OVERVIEW

This Policy outlines the payment and billing guidelines for services performed by Doulas to individuals covered under one of UCare’s PMAP, Connect or MinnesotaCare products.

POLICY DEFINITIONS

TERM	NARRATIVE DESCRIPTION
Certified Doula	Means an individual who has received doula certification and is registered with the Minnesota Department of Health to perform doula services.

DISCLAIMER

“Payment Policies assist in administering payment for UCare benefits under UCare’s health benefit plans. Payment Policies are intended to serve only as a general reference resource regarding UCare’s administration of health benefits and are not intended to address all issues related to payment for health care services provided to UCare members. In particular, when submitting claims, all providers must first identify member eligibility, federal and state legislation or regulatory guidance regarding claims submission, UCare provider participation agreement contract terms, and the member-specific Evidence of Coverage (EOC) or other benefit document. In the event of a conflict, these sources supersede the Payment Policies. Payment Policies are provided for informational purposes and do not

constitute coding or compliance advice. Providers are responsible for submission of accurate and compliant claims. In addition to Payment Policies, UCare also uses tools developed by third parties, such as the Current Procedural Terminology (CPT®*), InterQual guidelines, Centers for Medicare and Medicaid Services (CMS), the Minnesota Department of Human Services (DHS), or other coding guidelines, to assist in administering health benefits. References to CPT® or other sources in UCare Payment Policies are for definitional purposes only and do not imply any right to payment. Other UCare Policies and Coverage Determination Guidelines may also apply. UCare reserves the right, in its sole discretion, to modify its Policies and Guidelines as necessary and to administer payments in a manner other than as described by UCare Payment Policies when necessitated by operational considerations.”
