

Billing Requirements for Medicare Certified Home Health Care and ESRD Providers

Effective Jan. 1, 2020, providers billing Medicare Certified Home Health Care or End-Stage Renal Disease (ESRD) services to UCare must submit claims in accordance with Centers for Medicare & Medicaid Services (CMS) billing guidelines, including all required claim elements. Please refer to the [CMS Claims Processing Manual](#) for detail on required elements.

This requirement applies to claims submitted for the following plans: UCare Medicare Plans, UCare Medicare with Fairview & North Memorial (to be renamed UCare Medicare with M Health Fairview & North Memorial in 2020), Minnesota Senior Health Options (MSHO), UCare Connect + Medicare, UCare Individual & Family Plans and UCare Individual & Family Plans with Fairview (to be renamed UCare Individual & Family Plans with M Health Fairview in 2020).
