### **Additional Claims Payment Run Added for Holiday Week**

UCare will add back the second claims payment run the week of Memorial Day. Usually during the week of a holiday, there is only one payment run. For the week of May 25-29, remit payments will occur Wednesday and Friday. UCare will send remits up to three business days after payment is made on a claim. Claim status and remits can be accessed via [UCare's Provider Portal](#).
