Amendment to UCare's Provider Participation Agreement

UCare and our network of participating providers are required to follow all applicable state and federal statutes, rules and regulations. In compliance with Minn. Stat. 62Q.739, UCare is amending the indemnification section of the Provider Participation Agreement to include the following language, effective as of the date of this notice:

Indemnification. Each Party shall indemnify and hold the other harmless from any third-party claims, liabilities, losses, demands and costs and expenses of any kind, including reasonable attorney's fees, regulatory penalties, and payment recoveries by government agencies, which either Party may hereafter incur, sustain or be required to pay by reason of any negligent act or omission, breach of this Agreement, violation of third-party intellectual property rights, violation of any applicable law or regulation or any intentional misconduct of the other Party or its agents.

This language supersedes and replaces any prior contract language, as it relates to this provision.
