**\$50 semi-annual OTC allowance
and weekly food savings**

Welcome

As a UCare Medicare member, you now have access to great benefits through the attached card including an over-the-counter (OTC) allowance and food savings. These benefits begin on 1/1/21 or when your UCare plan coverage begins. This welcome booklet gives you instructions on how to use your card. For more details on your benefits and to view your account balance, go to HealthySavings.com/UCare.

It's easy to get started

- 1** Whether you're a new or existing member, you must activate your new card attached to this letter to start using your benefits. Use the **17-digit account number** and **4-digit security code** on the back of your card when you activate. Simply call **1-833-832-7306 (TTY 711)**, go to **ActivateS3.com** or download and use the **Healthy Savings mobile app**.
- 2** Shop for approved OTC products in-store, on the website at HealthySavings.com/UCare or via phone using the enclosed catalog. Shop for food savings at local stores including Walmart and other participating retailers like Cub, CVS and more.
- 3** Use your card to buy qualified products.

For complete program details, store locator and terms and conditions, go to HealthySavings.com/UCare or call **1-833-862-8276 (TTY 711)**.

What's in the packet?

This **welcome booklet** with your card attached gives you information to activate your card and how to use your OTC benefits and food savings.

The enclosed **catalog** gives you information on how to use your OTC allowance and includes a list of some of the most popular items you can buy.

OTC Benefit

Your Healthy Savings card provides you with a \$50 semi-annual allowance to spend on approved over-the-counter (OTC) products. Any unused allowance expires June 30th and December 31st, 2021.

How do I shop for approved over-the-counter products?

Use your card to buy qualified products in-store, online and by phone. Online and phone orders using your OTC benefit have a minimum purchase of \$35. For more details on how to shop, view the back cover of the enclosed catalog or visit [HealthySavings.com/UCare](https://www.healthy-savings.com/UCare).

In-store

Convenient in-store shopping is available at Walmart and other participating retailers like Cub, CVS and more. Just shop for qualified items and scan your card or mobile app at checkout.

Online

Go to [HealthySavings.com/UCare](https://www.healthy-savings.com/UCare). Once you are ready to buy you will be directed to Walmart.com to complete your order. Enter your 17-digit account number and 4-digit security code in the Gift Card field at checkout.

By phone

Look up the products you want online or in the catalog and call **1-833-862-8276 (TTY 711)** to have it delivered to your home.

How do I shop with my Food Savings?

You can use your Food Savings in-store at Walmart and other participating retailers like Cub, Hy-Vee and more. Go to HealthySavings.com/UCare to find a store near you.

Once you are in the store, simply select the items on discount that week and go to checkout. Many food discounts are automatically loaded onto your card. Additional discounts can be added from the *Save More* section on the Healthy Savings mobile app or at HealthySavings.com/UCare.

Then, have the store clerk scan the barcode printed on the back of your card for immediate savings on all of the promoted items that you purchased.

Over-the-counter benefits are administered by Solutran®, an independent company. All brands listed are trademarked by their respective manufacturers. Brands and item eligibility are subject to change.
