

Earn a \$25 reward

Annual checkup for ages 18 – 21

Complete a checkup and earn a \$25 reward

As you get older, you should continue to visit your doctor regularly, even if you feel healthy. Regular visits with a doctor are important and give you the chance to:

- Ask questions about your mental and physical health
- Keep up to date on immunizations (shots)
- Complete hearing and vision checks

Complete your checkup in person or as a telehealth visit, if offered by your doctor. A telehealth visit is a scheduled appointment. It offers the convenience of talking to your doctor using a telephone, computer or mobile device.
