Time for your retirees to enjoy
retirement with all the benefits

UCare Medicare Group Plans

We know Medicare so you don't have to.

Retirees are adjusting to a new chapter in life. One of the most challenging parts of the transition is how their health coverage changes once they become eligible for Medicare.

When it comes to Medicare, we understand it. We help retirees while making your life easier. As your partner, we guide retirees who have served your organization for so long.

Consider us your Medicare de-complicators. We've shared our expertise with thousands considering their Medicare choices for more than 20 years. Retirees have questions. We have answers. They call us directly. We counsel your retirees on eligibility, enrollment and plan details.

What's more, you are not required to meet minimum enrollment or contribute to the plan premium.

UCare Minnesota is an HMO-POS plan with a Medicare contract. Enrollment in UCare Minnesota depends on contract renewal.
