American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

Introduction

At UCare, we make it easy to access the services you need when you need them. This *Provider and Pharmacy Directory* lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors, vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

Please refer to your *Member Handbook* for details about covered services and the services that require authorizations.

UCare uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on **ucare.org/searchnetwork** or calling the Mental Health & Substance Use Disorder Triage Line at **612-676-6533 or 1-833-276-1185 (this call is free)**. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**. In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room. In other cases, call your primary care doctor's office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7 nurse line at the number on the back of your Member ID card. The UCare 24/7 nurse line is answered by nurses 24 hours a day, seven days a week.

Fairview Specialty Pharmacy is the exclusive provider of specialty medications for UCare members. Specialty medications are costly drugs that can be taken by injection or by mouth. They often need special handling. They also might have side effects that need to be monitored by a trained pharmacist or nurse.

Enrollees with Medicare must use a Medicare Part D prescription drug plan for Part D covered drugs.

Contact your Medicare Part D prescription drug plan if you have questions about how to access Part D drugs. For members of Families and Children, MinnesotaCare and Minnesota Senior Care Plus who are eligible for Medicare, UCare only covers Medical Assistance (Medicaid)-covered drugs on our formulary not covered by Medicare.

Key to Using UCare's Provider Listings

This network listing key will help you understand the information included under each provider listing. We strive to have the most up to date and comprehensive information about each provider available to members. If any fields are blank within a listing, this means we did not have that information available when this provider directory was published. The listings will include:

Provider Name
Primary Care Clinic (PCC) Number
Provider Address
Provider Phone Number
Accepting New Patients: Yes/No/If blank then unknown
ADA Accessible Office: Yes/No/If blank then unknown
ADA Accessible Exam Room: Yes/No/If blank then unknown
ADA Accessible Equipment: Yes/No/If blank then unknown
Cultural Competency Training in the past 12 Months: Yes/No/If blank then unknown

UCare lists the clinic number for our primary care clinics (PCC). To find the PCC number, see the field labeled PCC Number.

UCare's provider listings include names and addresses of providers that are part of our network. You will find the following words in our provider listings to help you determine if this provider:

- Provides accommodations for people with disabilities
- Completed cultural competency training
- Accepts new patients

An explanation of these terms is as follows:

ADA Accessibility

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. This includes taking steps to ensure that persons with disabilities have equal access to their goods and services. For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so.

UCare's provider listings include whether an office is ADA compliant by confirming if the provider has 1) accessible offices, 2) accessible equipment and 3) accessible exam rooms.

Our response includes:

YES – The provider is ADA compliant for accessible offices, equipment or exam rooms.

NO – The provider is not ADA compliant.

If the answer is left blank, the information is unknown.

Cultural Competency

Cultural Competency Training, as defined by the Centers for Medicare and Medicaid Services (CMS): Cultural competency training is additional instructions for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs. UCare's provider listings include whether a provider has met this training standard within the past 12 months.

Our response includes:

YES – The provider has met the requirement for Cultural Competency Training within the past 12 months.

NO - The provider has not met the requirement for Cultural Competency within the past 12 months.

If the answer is left blank, the information is unknown

Accepting New Patients

UCare's provider listings include whether the provider is accepting new patients as of this directory's date.

Our response includes:

YES – The provider is accepting new patients.

NO – The provider is not accepting new patients.

If the answer is left blank, the information is unknown.

You can get updated information about providers in this list by using the Search Network feature on **ucare.org/searchnetwork** or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.
