Cultural Competency

Training: The Cultural competency training were instructions for our health care providers and staff to help them better understand patient's background, values, and beliefs to adapt services to meet their social, cultural, and language needs.

Cultural Capabilities/Specialities: Top Health Center staff and providers are culturally aware of the different cultures and are culturally trained to be culturally competent. Every client and patient at Top Health Center are individuals with a unique culture and we treat them as such. Top Health Center staff and providers are culturally competent to better understand patients' background, values and beliefs and to meet their social, cultural, language and community needs.
