Section 1 - Introduction

This directory provides a list of UCare Advocate Plans network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Clinic (PCC)**. That provider should be a member of the UCare Advocate Plans' participating (partner/preferred) primary care system that provides care where you live. Generally, you should get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You can get all covered services on your own, without a referral. If you have been going to one network provider, you are not required to continue going to that same provider.

Sometimes, even network doctors are not aware that they should send you to a network hospital for inpatient care. If you need to go to a hospital, work closely with your doctor to choose the most appropriate facility for your needs from the hospitals in the UCare Advocate Plans network.

Your care coordinator can also help you get care from different kinds of providers, (including out-of-network providers or pharmacies).

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor UCare will be responsible for the costs.

When you receive needed care from a provider who is not part of the plan network, you are only responsible for paying your share of the cost, not for the entire cost.

- If you pay the entire amount yourself at the time you receive care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.

- At times you may get a bill from a provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost.
- Mail your request for payment together with any bills or receipts to us at this address:

Attn: DMR Department

Minneapolis, MN 55440-0052

Emergency and Urgently Needed Care/Renal Dialysis

Please note: Emergency care, urgently need care, and out-of-service-area renal (kidney) dialysis are required under the Medicare program to be covered at in-network cost sharing for both in-network and out-of-network providers.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When you are out of the service area and cannot get care from a network provider, we will cover urgently needed care that you get from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

You can go outside the network for other non-emergency services, if UCare gives you permission first. Work with your care coordinator for help in requesting permission.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under UCare Advocate Plans only if they are filled at a network pharmacy or through our mail

community. You can get current information about those providers by using the Search Network feature on ucare.org/searchnetwork or calling the Mental Health & Substance Use Disorder Triage Line at **612-676-6533 or 1-833-276-1185 (this call is free)**. order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies

under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/21/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts. For more

information, please contact us or see the mail order pharmacy section of this directory.

We also list pharmacies that are in our network but are outside the service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the pharmacy sections in this directory or contact Customer Service.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact UCare Advocate Plans Customer Service.

Online Care and E-visits

In addition to in-person doctor's office visits at a UCare network provider, you also have access to E-visits to receive online diagnosis and treatment for minor conditions with \$0 copayment. These services are available 24 hours a day, seven days a week,

without an appointment through various online platforms.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Express Scripts Mail Order Pharmacy at **1-877-567-6320 (this call is free)**, TTY users call **1-800-716-3231 (this call is free)** You may also login to www.Express-Scripts.com.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at:
