

UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP)

2023 Provider and Pharmacy Directory

Introduction

This *Provider and Pharmacy Directory* includes information about the provider and pharmacy types in UCare's MSHO and listings of all the plan's providers and pharmacies as of the date of this Directory. The listings contain provider and pharmacy address and contact information as well as other details, as applicable, such as days and hours of operation, specialties, and skills. All providers in this *Provider and Pharmacy Directory* accept both Medicare and Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

UCare's MSHO will accept all eligible people who choose the Plan. We will not discriminate in regard to your physical or mental condition, health status, need for or receipt of health services, claims experience, medical history, genetic information, disability, marital status, age, sex, sexual orientation, national origin, race, color, religion, or political

beliefs. UCare's MSHO will not use any policy or practice that has the effect of such discrimination.

Enrolling in this health plan does not guarantee you can use a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to go to your primary care provider prior to the referral.

B. Background Information about UCare's MSHO's Network Providers

B1. Key terms

Care coordinators supporting UCare's MSHO members complete a plan of care with the member in conjunction with the health risk assessment. The plan of care, or a summary letter of the plan of care is provided to the primary care provider to promote communication and coordination between members of the interdisciplinary care team serving the member.

This section explains key terms you'll find in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a doctor (or other health care professional), medical group or

hospital (or other health care facility) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You also have access to a Care Coordinator. A Care Coordinator helps you manage your medical providers and services.

B2. How to choose a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members. When you become a member of our plan, you will choose a Primary Care Provider who is part of our plan network. This provider will be your Primary Care Provider.

If you did not choose a Primary Care Provider or would like to make a change to your Primary Care Provider, refer to the list of providers in section C, and choose a provider:

- that you use now, or
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.

? If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit ucare.org.**

- If you want help choosing a PCP, please call Customer Service at the number at the bottom of this page.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Service and ask before you get the service or care.

B3. How to get long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a UCare's MSHO member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

After you enroll, you will be assigned a UCare Care Coordinator who will work with you to assess your needs and preferences, develop and maintain a care plan, and help coordinate your care and services.

Your Care Coordinator will help you identify specific LTSS in your care plan that, if you qualify, will help you meet your care goals. Your Care Coordinator will also help you identify your needs as you transition between levels of care.

If you are getting LTSS when you enroll, you will get these services through your UCare Care Coordinator. If you reside in the community and are not getting LTSS when you enroll, your first screening will assess your need for these services. If you are eligible, your Care Coordinator will work with you to get these services.

You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have

this assessment in your home, apartment, or facility where you live.

Your Care Coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your Care Coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

If you are eligible to receive long-term services and supports (LTSS) you must use providers who are enrolled with DHS for HCBS/waiver services. A complete list of enrolled providers is available on DHS's MnHelp website. Provider lists are also available by accessing the DHS licensing look-up website or the Minnesota Department of Health (MDH) Health Care Facility and Provider Database.

UCare contracts directly for some extended waiver services, such as transportation, personal care assistants (PCA) and home health services covered through the waiver as "extended" services. PCA, Home Health Care or durable medical equipment (DME) provider lists are available through the Search Network tool on UCare's website.

Providers must obtain a UCare provider number and use it when billing for waiver services. Providers must limit the waiver services they deliver to services for which they are qualified and contracted to provide. Providers who had a contract with UCare that included Elderly Waiver Services must still follow the re-enrollment process that DHS created to provide services to UCare members.

? If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit ucare.org.**

To find out more about these services, see your *Member Handbook*. Call Customer Service at the number at the bottom of this page to get more information on how to access these services.

B4. How to access UCare's MSHO's network providers

You must get all of your covered services from providers within our network. If you use providers who are not in UCare's MSHO network (**without prior authorization or approval from us**), you will have to pay the bill.

A **prior authorization** is an approval from UCare's MSHO before you can get a specific service, drug, or use an out-of-network provider. UCare's MSHO may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UCare's MSHO gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. To change your Primary Care Provider, talk to your Care Coordinator.
- UCare's MSHO works with all the providers in our network to accommodate the needs of people with disabilities. If you need a provider and are not sure if they offer the accommodations you need, UCare's MSHO can help you. Talk to your Care Coordinator for assistance.

B5. How to find UCare's MSHO providers in your area

- **Support Providers** including HomeHealth, home-based therapy, Durable Medical Equipment and information about how to access Long Term Services and Supports (for example: Elderly Wavier services like Adult Day Services).

To find network providers, go to the Table of Contents. You can search according to the type of provider you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, etc. Providers are listed alphabetically by state, county and city. In addition to contact information, provider listings also include specialties and skills, such as language spoken or completion of cultural competence training.

You can also use the online search network tool at ucare.org/searchnetwork.

- At the top of the page, select People, Places or Pharmacies, depending on if you are looking for a provider, clinic or pharmacy.
- Select your plan
- Enter the name, if you are looking for a specific provider or location. Enter just the first few letters if you are unsure of the spelling.
- Enter your location

The call is free. **For more information, visit ucare.org.**

How to access out-of-network providers

In some cases, you may get covered services from out-of-network providers that are not part of UCare's MSHO network. You must get a prior authorization from us in order for services from an out-of-network provider to be covered. Exceptions to out-of-network restrictions include services such as emergencies, post-stabilization, urgently needed services when our network is not available, out-of-area renal dialysis services, and open access services.

If you do not get a prior authorization from us when needed, the bill may not be paid. If an out-of-network provider bills you directly, submit the itemized statement or receipt to UCare, and we will determine if the services are completely covered.

State and federal laws prevent us from paying you back directly for most medical bills. If you paid for a service that you think we should have covered, or for more information on out-of-network providers, please contact Customer Service.

How to access specialty providers

UCare allows members of our plan to have direct access to specialty providers in our network without a referral. We have formed a network of specialty providers. Each time you get health services, check to be sure the provider is a network provider.

We encourage you to work with your primary care doctor to assess your health needs and recommend a specialty provider. If you see a specialty provider without consulting your primary care doctor, it is important to tell your primary care doctor about the specialty doctor visit.

UCare uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on ucare.org/searchnetwork or calling the Mental Health & Substance Use Disorder Triage Line at

612-676-6533 or 1-833-276-1185 toll free. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at 612-676-6810 or 1-800-688-2534 toll free. After hours and on weekends, member calls will be answered by the UCare 24/7 nurse line.

You can get additional information on how to access specialty care by calling Customer Service at the number at the bottom of this page.

How to get more information about personal care provider organizations (PCPO) and home care agencies

PCPOs and home care agencies are not listed in this Provider Directory. Visit us online at ucare.org/searchnetwork to get more information on how to get a list of PCPOs and home care agencies.

How to find a network pharmacy

The Pharmacy section that lists pharmacy providers is located in Section E.

Please refer to the Pharmacy section to find an updated list of pharmacy providers. Or call Customer Service at the number at the bottom of this page.

How to determine whether a facility is accessible

Providers were asked to complete a questionnaire about accessibility in three areas: parking, entryways and other relevant spaces, and office exam rooms and equipment. Responses to the questionnaire are included in the provider listings.

If you need more information about access options, you can get information by calling Customer Service at the number at the bottom of this page. This could include, but is not limited to, information such as availability of flexible hours or wheelchair access.

? If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week.
