### Introduction

At UCare, we make it easy to access the services you need when you need them. This *Provider and Pharmacy Directory* lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors, vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

Please refer to your *Member Handbook* for details about covered services and the services that require authorizations.

**In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room.** In other cases, call your primary care doctor’s office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7 nurse line at the number on the back of your Member ID card. The UCare 24/7 nurse line is answered by nurses 24 hours a day, seven days a week.

You must call UCare’s Customer Service Department at **612-676-3395 or 1-877-903-0061 (this call is free)** within 48 hours, or as soon as you are able, if you are admitted to an out-of-network hospital. If you are hearing impaired, please call our

You will be offered a health risk assessment (HRA) within 60 days of enrollment and annually thereafter. We review the HRA and other information to identify your needs.

We offer you care coordination services based on your needs and current services. The care coordinator will develop a care plan with you and your interdisciplinary care team.
