## **2024 *Provider and Pharmacy Directory***

### **Introduction**

This *Provider and Pharmacy Directory* includes information about the provider and pharmacy types in UCare's MSHO and listings of all the plan's providers and pharmacies as of the date of this Directory. The listings contain address and contact information as well as other details, as applicable, such as days and hours of operation, specialties, and skills. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Enrolling in this health plan does not guarantee you can use a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

**?** If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit [ucare.org](https://www.ucare.org).**

## B. Background Information about UCare's MSHO's Network Providers

### B1. Key terms

Care coordinators supporting UCare's MSHO members complete a plan of care with the member in conjunction with the health risk assessment. The plan of care, or a summary letter of the plan of care is provided to the primary care provider to promote communication and coordination between members of the interdisciplinary care team serving the member.

This section explains key terms in our *Directory*.

- **Providers** are professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term **providers** also includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a UCare's MSHO member.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a doctor (or other health care professional), medical group or hospital (or other health care facility) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - **Oncologists** care for patients with cancer.
  - **Cardiologists** care for patients with heart conditions.
  - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You will also be assigned a care coordinator. Care coordinators supporting UCare's MSHO members complete a plan of care with the member in conjunction with the health risk assessment. The plan of care identifies who the member wants as a part of their care team. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services. A care coordinator is available to assist you managing your health care needs. They may be able to assist your with setting up appointments with providers, arranging transportation, refilling medication, arranging for additional services at home or in

Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. If you need LTSS your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

**?** If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit [ucare.org](http://ucare.org).**

## B5. How to access UCare's MSHO's network providers

You must get all of your covered services from providers within our network. If you use providers who are not in UCare's MSHO network (**without prior authorization**), you may have to pay the bill.

A **prior authorization** is an approval from UCare's MSHO before you can get a specific service, drug, or use an out-of-network provider. UCare's MSHO may not cover the service or drug if you don't get approval.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UCare's MSHO gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You only need to change your PCP if you are changing your Primary Care Clinic (PCC). To change your Primary Care Provider, talk to your Care Coordinator.

- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Customer Service if you are using a specialist or getting other covered services that require PCP approval. Customer Service will help make sure that you can continue your specialty care and other services when you change your PCP.
- UCare's MSHO works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, UCare's MSHO can help you. Talk to your care coordinator for assistance.

## C. UCare's MSHO List of Network Providers

---

This part of the Directory includes a list of UCare's MSHO's network providers **who participate in and accept** UCare's MSHO. It contains:

- **Health care professionals** including primary care providers, specialists, mental health and substance use disorder providers (behavioral health), and dentists;
- **Facilities** including hospitals, nursing facilities, mental health facilities, IHS and Tribal facilities and clinics.
- **Support Providers** including HomeHealth, home-based therapy, Durable Medical Equipment and information about how to access Long Term Services and Supports (for example: Elderly Wavier services like Adult Day Services).

**?** If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit [ucare.org](http://ucare.org).**

To find network providers, go to the Table of Contents. You can search according to the type of provider you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, etc. Providers are listed alphabetically by state, county and city. In addition to contact information, provider listings also include specialties and skills, such as language spoken or completion of cultural competence training.

You can also use the online search network tool at [ucare.org/searchnetwork](http://ucare.org/searchnetwork).

- At the top of the page, select People, Places or Pharmacies, depending on if you are looking for a provider, clinic or pharmacy.
- Select your plan
- Enter the name, if you are looking for a specific provider or location. Enter just the first few letters if you are unsure of the spelling.
- Enter your location
- Select Search

If you have questions about UCare's MSHO plan or need help, please call Customer Service at the number at the bottom of this page.

To get the most up-to-date information about UCare's MSHO network providers in your area, visit [ucare.org/searchnetwork](http://ucare.org/searchnetwork) to search for providers near you or call Customer Service at the number at the bottom of this page.

**Cultural competence training** is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

You may get services from any of the providers on this list.

**?** If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week.
