D. Background Information about UCare Connect + Medicare's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** UCare Connect + Medicare and have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. Please contact UCare Connect + Medicare at the number at the bottom of this page.

UCare Connect + Medicare members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service.
- Read the UCare Connect + Medicare *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about UCare Connect + Medicare network pharmacies in your area, please visit our website at ucare.org/searchnetwork or call Customer Service at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and UCare

Connect + Medicare *List of Covered Drugs*. You can find the latest *List of Covered Drugs* on our website at ucare.org/dsnp-druglist.

D1. Types of pharmacies in UCare Connect + Medicare network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.
