**Nota para los miembros existentes:** Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que todavía incluye los medicamentos que toma.

Cuando esta lista de medicamentos (formulario) se refiere a “nosotros”, “nos” o “nuestro”, significa UCare Minnesota. Cuando se refiere al “plan” o “nuestro plan” significa los Planes Grupales Medicare de UCare.

Este documento incluye una lista de los medicamentos (formulario) para nuestro plan que está vigente al 24 de enero de 2023. Para obtener un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, figura en la portada y en la contraportada de este documento.

Generalmente, debe usar farmacias de la red para su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias o los copagos/coseguro pueden cambiar el 1 de enero de 2024 y cada tanto durante el año.

## **¿Qué es el Formulario de los Planes Grupales Medicare de UCare?**

Un formulario es una lista de medicamentos cubiertos seleccionados por los Planes Grupales Medicare de UCare en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. Los Planes Grupales Medicare de UCare generalmente cubrirán los medicamentos que figuran en nuestro formulario, siempre y cuando el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red de los Planes Grupales Medicare de UCare y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de cobertura.

## **¿Puede cambiar el Formulario (Lista de medicamentos)?**

La mayoría de los cambios en la cobertura de medicamentos ocurre el 1 de enero, pero los Planes Grupales Medicare de UCare pueden agregar o eliminar medicamentos en la Lista de medicamentos durante el año, moverlos a diferentes niveles de costos compartidos o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al hacer estos cambios.

### **Cambios que pueden afectarte este año: En los siguientes casos, se verá afectado por los cambios de cobertura durante el año:**

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca en nuestra Lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o más bajo y con las mismas o menos restricciones. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero moverlo inmediatamente a un nivel diferente de costos compartidos o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de realizar ese cambio, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.
  - Si hacemos tal cambio, usted o su médico pueden pedirnos que hagamos una excepción y continuar cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de los Planes Grupales Medicare de UCare?”
- **Medicamentos que se retiran del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento en nuestro formulario no es seguro o el fabricante del medicamento retira el medicamento del mercado, eliminaremos inmediatamente el medicamento de nuestro formulario y notificaremos a los miembros que toman el medicamento.

- **Otros cambios.** Podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca actualmente en el formulario o agregar nuevas restricciones al medicamento de marca o moverlo a un nivel diferente de costo compartido o ambos. O podemos hacer cambios basados en nuevas guías clínicas. Si eliminamos medicamentos de nuestro formulario, o agregamos autorización previa, límites de cantidad o restricciones de terapia escalonada en un medicamento o movemos un medicamento a un nivel más alto de costos compartidos, debemos notificar a los miembros afectados del cambio al menos 30 días antes de que el cambio entre en vigencia, o en el momento en que el miembro solicite un resurtido del medicamento, momento en el cual el miembro recibirá un suministro de 30 días del medicamento.
  - Si hacemos estos otros cambios, usted o su médico pueden pedirnos que hagamos una excepción y continuemos cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de los Planes Grupales Medicare de UCare?”

**Cambios que no le afectarán si actualmente está tomando el medicamento.** En general, si está tomando un medicamento en nuestro Formulario 2023 que estaba cubierto a principios de año, no suspenderemos ni reduciremos la cobertura del medicamento durante el año de cobertura 2023, excepto como se describe anteriormente. Esto significa que estos medicamentos permanecerán disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen por el resto del año de cobertura. No recibirá aviso directo este año sobre cambios que no lo afecten. Sin embargo, el 1 de enero del próximo año, tales cambios podrían afectarlo, y es importante verificar la Lista de medicamentos para el nuevo año de beneficios para cualquier cambio en los medicamentos.

El Formulario adjunto se actualizó al 21 de noviembre de 2023. Para obtener información actualizada sobre los medicamentos cubiertos por los Planes Grupales Medicare de UCare, comuníquese con nosotros. Nuestra información de contacto aparece en la portadas y contraportada. Las actualizaciones al Formulario de los Planes Grupales Medicare de UCare están disponibles en nuestro sitio web, **ucare.org**. Si lo solicita, UCare le enviará por correo una edición impresa actualizada.

## ¿Cómo uso el Formulario?

---

Hay dos formas de encontrar un medicamento en el Formulario:

### **Afección médica**

El Formulario comienza en la página 1. Los medicamentos en este formulario se agrupan en categorías dependiendo del tipo de afecciones médicas que tratan. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría “Agentes cardiovasculares”. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego busque debajo del nombre de la categoría para su medicamento.

### **Lista alfabética**

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice, que comienza en la página 97. El Índice brinda una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información de cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

## ¿Qué son los medicamentos genéricos?

---

Los Planes Grupales Medicare de UCare cubren tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la FDA y tiene los mismos ingredientes activos que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

## ¿Hay restricciones para mi cobertura?

---

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites de cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Los Planes Grupales Medicare de UCare exigen que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de los Planes Grupales Medicare de UCare antes de surtir sus recetas. Si no obtiene la aprobación, es posible que los Planes Grupales Medicare de UCare no cubran el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, los Planes Grupales Medicare de UCare limitan la cantidad del medicamento que cubrirán. Por ejemplo, los Planes Grupales Medicare de UCare proporcionan 30 comprimidos por receta para escitalopram 20 mg. Esto puede ser adicional a un suministro estándar de un mes o tres meses.
- **Terapia escalonada:** En algunos casos, los Planes Grupales Medicare de UCare exigen que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el Medicamento A y el Medicamento B tratan su afección médica, es posible que los Planes Grupales Medicare de UCare no cubran el Medicamento B a menos que pruebe primero el Medicamento A. Si el Medicamento A no funciona para usted, los Planes Grupales Medicare de UCare cubrirán el Medicamento B.

Puede averiguar si su medicamento tiene algún requisito o límite adicional buscando en el Formulario que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado en línea un documento que explica nuestras restricciones de autorización previa y de terapia escalonada. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, figura en la portada y en la contraportada de este documento.

Puede pedir a los Planes Grupales Medicare de UCare que hagan una excepción a estas restricciones o límites o una lista de otros medicamentos similares que pueden tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de los Planes Grupales Medicare de UCare?” en la página vii para obtener información sobre cómo solicitar una excepción.

## ¿Qué pasa si mi medicamento no está en el Formulario?

---

Si su medicamento no está incluido en este Formulario (Lista de medicamentos cubiertos), primero debe comunicarse con Servicio al Cliente y preguntar si su medicamento está cubierto. Si se entera de que los Planes Grupales Medicare de UCare no cubren sus medicamentos, tiene dos opciones:

- Puede solicitar al Servicio de Atención al Cliente una lista de medicamentos similares que están cubiertos por los Planes Grupales Medicare de UCare. Cuando reciba la lista, muéstrasela a su médico y pídale que le recete un medicamento similar que esté cubierto por los Planes Grupales Medicare de UCare.
- Puede pedir a los Planes Grupales Medicare de UCare que hagan una excepción y cubran su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

## ¿Cómo solicito una excepción al Formulario de los Planes Grupales Medicare de UCare?

---

Puede pedir a los Planes Grupales Medicare de UCare que hagan una excepción a las reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel predeterminado de costo compartido, y usted no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que cubramos un medicamento del Formulario a un nivel de costo compartido más bajo, a menos que el medicamento esté en el nivel de especialidad (Nivel 4). Si se aprueba, esto reduciría la cantidad que debe pagar por su medicamento.
- Puede solicitarnos que renunciemos a las restricciones o límites de cobertura de su medicamento. Por ejemplo, para determinados medicamentos, los Planes Grupales Medicare de UCare limitan la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que renunciemos al límite y cubramos una cantidad mayor.

Por lo general, los Planes Grupales Medicare de UCare solo aprobarán su solicitud de una excepción si el medicamento alternativo está incluido en el formulario del plan, el medicamento de costo compartido más bajo o con restricciones de uso adicionales no sería tan eficaz para tratar su afección o causaría que tenga efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para una excepción de restricción de uso, de nivel o al Formulario. **Cuando solicite una excepción de restricción de uso, de nivel o al Formulario, debe presentar una declaración de su médico o médico que respalde su solicitud.** En general, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de su médico. Puede solicitar una excepción acelerada (rápida), si usted o su médico creen que su salud podría verse seriamente perjudicada si espera hasta 72 horas para tomar una decisión. Si se concede su solicitud para acelerar, debemos darle una decisión a más tardar 24 horas después de recibir una declaración de respaldo de su médico u otro profesional que receta.

## ¿Qué debo hacer antes de poder hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?

---

Como miembro nuevo o continuo en nuestro plan, es posible que esté tomando medicamentos que no están en nuestro formulario. O bien, puede estar tomando un medicamento que está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nosotros antes de poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso de acción correcto para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal de 30 días. Si su receta se escribe por menos días, permitiremos resurtidos para proporcionar hasta un máximo de 30 días de suministro del medicamento. Después de su primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ha pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento (a menos que tenga una receta para menos días) mientras busca una excepción al formulario.

## **Transición de la atención**

---

Si usted es un miembro actual de los Planes Grupales Medicare de UCare que está haciendo la transición a un nivel diferente de atención, es posible que le receten medicamentos que no están en nuestro formulario. Mientras habla con su médico para determinar su curso de acción, es elegible para recibir un suministro de transición de 31 días del medicamento, ya que está haciendo la transición a un nivel de atención diferente. Si usted es un miembro actual de los Planes Grupales Medicare de UCare, fue admitido o dado de alta de un centro de atención a largo plazo, se le permitirá hacer resurtidos antes para garantizar que tenga acceso a un suministro adecuado de sus medicamentos.

## **Para obtener más información**
