

2021 Evidence of Coverage
UCare Value (HMO-POS)

Notice of Nondiscrimination

UCare complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. UCare does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

We provide aids and services at no charge to people with disabilities to communicate effectively with us, such as TTY line, or written information in other formats, such as large print.

If you need these services, contact us at **612-676-3200 (voice)** or toll free at **1-800-203-7225 (voice)**, **612-676-6810 (TTY)**, or **1-800-688-2534 (TTY)**.

We provide language services at no charge to people whose primary language is not English, such as qualified interpreters or information written in other languages.

If you need these services, contact us at the **number on the back of your membership card** or **612-676-3200** or toll free at **1-800-203-7225 (voice)**; **612-676-6810** or toll free at **1-800-688-2534 (TTY)**.

If you believe that UCare has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file an oral or written grievance.

Oral grievance

If you are a current UCare member, please call the number on the back of your membership card. Otherwise please call **612-676-3200** or toll free at **1-800-203-7225 (voice)**; **612-676-6810** or toll free at **1-800-688-2534 (TTY)**. You can also use these numbers if you need assistance filing a grievance.

January 1 – December 31, 2021

Evidence of Coverage:

Your Medicare Health Benefits and Services as a Member of UCare Value (HMO-POS)

This booklet gives you the details about your Medicare health care coverage from January 1 – December 31, 2021. It explains how to get coverage for the health care services you need.

This is an important legal document. Please keep it in a safe place.

This plan, UCare Value, is offered by UCare Minnesota. (When this *Evidence of Coverage* says “we,” “us,” or “our,” it means UCare Minnesota. When it says “plan” or “our plan,” it means UCare Value.)

Please contact our Customer Service number at 612-676-3600 or 1-877-523-1515 (toll free) for additional information. (TTY users should call 612-676-6810 or 1-800-688-2534 (toll free)). Hours are 8 am – 8 pm, seven days a week.

Upon request, we can give you information in braille, in large print, or other alternate formats if you need it.

Benefits, premium and/or copayments/coinsurance may change on January 1, 2022.

The provider network may change at any time. You will receive notice when necessary.

2021 Evidence of Coverage

Table of Contents

This list of chapters and page numbers is your starting point. For more help in finding information you need, go to the first page of a chapter. **You will find a detailed list of topics at the beginning of each chapter.**

Chapter 1. Getting started as a member	4
Explains what it means to be in a Medicare health plan and how to use this booklet. Tells about materials we will send you, your plan premium, your plan membership card, and keeping your membership record up to date.	
Chapter 2. Important phone numbers and resources	16
Tells you how to get in touch with UCare Value and with other organizations including Medicare, the State Health Insurance Assistance Program (SHIP), the Quality Improvement Organization, Social Security, Medicaid (the state health insurance program for people with low incomes), and the Railroad Retirement Board.	
Chapter 3. Using the plan's coverage for your medical services	30
Explains important things you need to know about getting your medical care as a member of our plan. Topics include using the providers in the plan's network and how to get care when you have an emergency.	
Chapter 4. Medical Benefits Chart (what is covered and what you pay)	45
Gives the details about which types of medical care are covered and <i>not</i> covered for you as a member of our plan. Explains how much you will pay as your share of the cost for your covered medical care.	
Chapter 5. Asking us to pay our share of a bill you have received for covered medical services	116
Explains when and how to send a bill to us when you want to ask us to pay you back for our share of the cost for your covered services.	
Chapter 6. Your rights and responsibilities	122
Explains the rights and responsibilities you have as a member of our plan. Tells what you can do if you think your rights are not being respected.	

Table of Contents

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints).....	134
Tells you step-by-step what to do if you are having problems or concerns as a member of our plan.	
<ul style="list-style-type: none">• Explains how to ask for coverage decisions and make appeals if you are having trouble getting the medical care you think is covered by our plan. This includes asking us to keep covering hospital care and certain types of medical services if you think your coverage is ending too soon.• Explains how to make complaints about quality of care, waiting times, customer service, and other concerns.	
Chapter 8. Ending your membership in the plan.....	177
Explains when and how you can end your membership in the plan. Explains situations in which our plan is required to end your membership.	
Chapter 9. Legal notices.....	185
Includes notices about governing law and about nondiscrimination.	
Chapter 10. Definitions of important words.....	191
Explains key terms used in this booklet.

Section 7.1	Which plan pays first when you have other insurance?	14

SECTION 1 Introduction

Section 1.1	You are enrolled in UCare Value, which is a Medicare HMO Point-of-Service Plan
--------------------	---

You are covered by Medicare, and you have chosen to get your Medicare health care through our plan, UCare Value.

There are different types of Medicare health plans. UCare Value is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) with a Point-of-Service (POS) option approved by Medicare and run by a private company. “Point-of-Service” means you can use providers outside the plan’s network for an additional cost. (See Chapter 3, Section 2.3 for information about using the Point-of-Service option.) UCare Value does not include Part D prescription drug coverage.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act’s (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/Individuals-and-Families for more information.

Section 1.2	What is the <i>Evidence of Coverage</i> booklet about?
--------------------	---

This *Evidence of Coverage* booklet tells you how to get your Medicare medical care covered through our plan. This booklet explains your rights and responsibilities, what is covered, and what you pay as a member of the plan.

The word “coverage” and “covered services” refers to the medical care and services available to you as a member of UCare Value.

It’s important for you to learn what the plan’s rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* booklet.

If you are confused or concerned or just have a question, please contact our plan’s Customer Service (phone numbers are printed on the back cover of this booklet).

Section 1.3	Legal information about the <i>Evidence of Coverage</i>
--------------------	--

It’s part of our contract with you

This *Evidence of Coverage* is part of our contract with you about how UCare Value covers your care. Other parts of this contract include your enrollment form and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called “riders” or “amendments.”

The contract is in effect for months in which you are enrolled in UCare Value between January 1, 2021 and December 31, 2021.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of UCare Value after December 31, 2021. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2021.

Medicare must approve our plan each year

Medicare (the Centers for Medicare & Medicaid Services) must approve UCare Value each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements
--

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B (Section 2.2 tells you about Medicare Part A and Medicare Part B)
- -- *and* -- You live in our geographic service area (Section 2.3 below describes our service area)
- -- *and* -- you are a United States citizen or are lawfully present in the United States

Section 2.2 What are Medicare Part A and Medicare Part B?
--

When you first signed up for Medicare, you received information about what services are covered under Medicare Part A and Medicare Part B. Remember:

- Medicare Part A generally helps cover services provided by hospitals (for inpatient services, skilled nursing facilities, or home health agencies.)
- Medicare Part B is for most other medical services (such as physician's services, home infusion therapy, and other outpatient services) and certain items (such as durable medical equipment (DME) and supplies).

Section 2.3 Here is the plan service area for UCare Value
--

Although Medicare is a Federal program, UCare Value is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes this state: Minnesota

If you plan to move out of the service area, please contact Customer Service (phone numbers are printed on the back cover of this booklet). When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

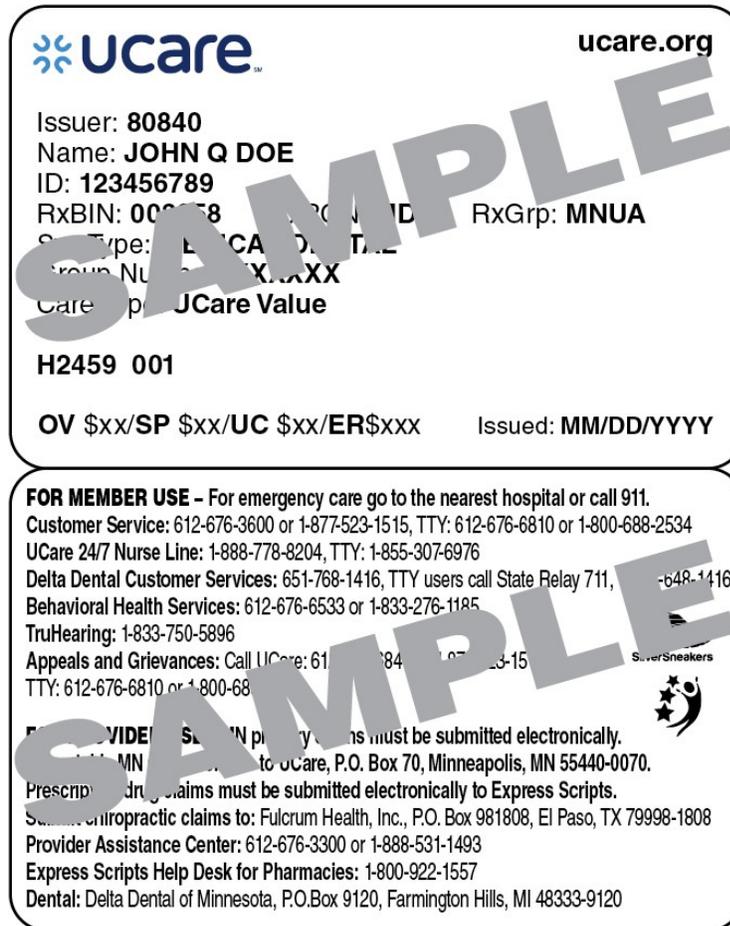

Section 2.4	U.S. Citizen or Lawful Presence
--------------------	--

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify UCare Value if you are not eligible to remain a member on this basis. UCare Value must disenroll you if you do not meet this requirement.

SECTION 3 What other materials will you get from us?

Section 3.1 Your plan membership card – Use it to get all covered care

While you are a member of our plan, you must use your membership card for our plan whenever you get any services covered by this plan. You should also show the provider your Medicaid card, if applicable. Here's a sample membership card to show you what yours will look like:

The image shows a sample UCare membership card. The card is rectangular with rounded corners and a black border. At the top left is the UCare logo (a blue starburst) and the word "ucare" in blue. At the top right is the website "ucare.org". The card contains the following information: Issuer: 80840; Name: JOHN Q DOE; ID: 123456789; RxBIN: 000000; RxGrp: MNUA; Care plan: UCare Value; and a card number H2459 001. Below this is a line for "OV \$xx/SP \$xx/UC \$xx/ER\$xxx" and "Issued: MM/DD/YYYY". A large, semi-transparent "SAMPLE" watermark is overlaid diagonally across the card. Below the main card area is a separate box containing contact information for various services: Customer Service, UCare 24/7 Nurse Line, Delta Dental, Behavioral Health, TruHearing, Appeals and Grievances, and a list of providers for electronic submission of claims. A "SilverSneakers" logo is also present in this section.

ucare.org

Issuer: 80840
Name: JOHN Q DOE
ID: 123456789
RxBIN: 000000 RxGrp: MNUA
Care plan: UCare Value
H2459 001

OV \$xx/SP \$xx/UC \$xx/ER\$xxx Issued: MM/DD/YYYY

FOR MEMBER USE – For emergency care go to the nearest hospital or call 911.
Customer Service: 612-676-3600 or 1-877-523-1515, TTY: 612-676-6810 or 1-800-688-2534
UCare 24/7 Nurse Line: 1-888-778-8204, TTY: 1-855-307-6976
Delta Dental Customer Services: 651-768-1416, TTY users call State Relay 711, 1-800-648-1416
Behavioral Health Services: 612-676-6533 or 1-833-276-1185
TruHearing: 1-833-750-5896
Appeals and Grievances: Call UCare: 612-676-3840 or 1-877-523-1515
TTY: 612-676-6810 or 1-800-688-2534

PROVIDER SUBMISSION primary claims must be submitted electronically.
Minnesota claims to UCare, P.O. Box 70, Minneapolis, MN 55440-0070.
Prescription drug claims must be submitted electronically to Express Scripts.
Chiropractic claims to: Fulcrum Health, Inc., P.O. Box 981808, El Paso, TX 79998-1808
Provider Assistance Center: 612-676-3300 or 1-888-531-1493
Express Scripts Help Desk for Pharmacies: 1-800-922-1557
Dental: Delta Dental of Minnesota, P.O.Box 9120, Farmington Hills, MI 48333-9120

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your UCare Value membership card, you may have to pay the full cost medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in routine research studies.

Here's why this is so important: If you get covered services using your red, white, and blue Medicare card instead of using your UCare Value membership card while you are a plan member, you may have to pay the full cost yourself.

If your plan membership card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Section 3.2	The <i>Provider and Pharmacy Directory</i>: Your guide to all providers in the plan's network
--------------------	--

The *Provider and Pharmacy Directory* lists our network providers and durable medical equipment suppliers.

What are “network providers”?

Network providers are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The most recent list of providers and suppliers is available on our website at ucare.org/searchnetwork.

Why do you need to know which providers are part of our network?

It is important to know which providers are part of our network because, with limited exceptions, while you are a member of our plan you may be required to use network providers to get your medical care and services. The only exceptions are emergencies, urgently needed services when the network is not available (generally, when you are out of the area), out-of-area dialysis services, and cases in which UCare Value authorizes use of out-of-network providers. See Chapter 3 (*Using the plan's coverage for your medical services*) for more specific information about emergency, out-of-network, and out-of-area coverage.

You can also obtain certain covered services from out-of-network providers through the Point-of-Service (POS) benefit at the out-of-network cost sharing level. See Chapter 4, Section 2.3 for more information about the POS benefit.

If you don't have your copy of the *Provider and Pharmacy Directory*, you can request a copy from Customer Service (phone numbers are printed on the back cover of this booklet). You may ask Customer Service for more information about our network providers, including their qualifications. You can also see the *Provider and Pharmacy Directory* at ucare.org/searchnetwork, or download it from this website. Both Customer Service and the website can give you the most up-to-date information about changes in our network providers.

SECTION 4 Your monthly premium for UCare Value

Section 4.1	How much is your plan premium?
--------------------	---------------------------------------

As a member of our plan, you pay a monthly plan premium. For 2021, the monthly premium for UCare Value is \$29. In addition, you must continue to pay your Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

In some situations, your plan premium could be more

If you signed up for extra benefits, also called “optional supplemental benefits,” then you pay an additional premium each month for these extra benefits. UCare Value members have the option of purchasing the Choice Dental benefit package. The monthly premium for this optional supplemental benefit is \$25. If you have any questions about your plan premiums, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Many members are required to pay other Medicare premiums

In addition to paying the monthly plan premium, many members are required to pay other Medicare premiums. As explained in Section 2 above, in order to be eligible for our plan, you must have both Medicare Part A and Medicare Part B. Some plan members (those who aren’t eligible for premium-free Part A) pay a premium for Medicare Part A. Most plan members pay a premium for Medicare Part B. **You must continue paying your Medicare premiums to remain a member of the plan.**

Your copy of *Medicare & You 2021* gives information about these premiums in the section called “2021 Medicare Costs.” This explains how the Medicare Part B premium differs for people with different incomes. Everyone with Medicare receives a copy of *Medicare & You* each year in the fall. Those new to Medicare receive it within a month after first signing up. You can also download a copy of *Medicare & You 2021* from the Medicare website (www.medicare.gov). Or, you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

Section 4.2	There are several ways you can pay your plan premium
--------------------	---

There are five ways you can pay your plan premium. We list our payment options on the enrollment form. You can pick one when you fill out the form. Or, contact us by phone or in writing to choose your payment option. (Phone numbers and address for Customer Service are printed on the back cover of this booklet.)

Changing your payment option is just as easy. Call or write to us. If you decide to change the way you pay your premium, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your plan premium is paid on time.

Option 1: You can pay by check

You can pay your monthly plan premium by check. We'll send you a monthly billing statement. Mail us a check, made payable to:

UCare
PO Box 9122
Minneapolis, MN 55480-9122

Premium payments are due on the 1st of each month.

Option 2: You can pay by credit card

You can have your monthly plan premium by credit card. Sign up for a secure, online Member Account at member.ucare.org. With your Member Account, you can make a one-time credit card payment. We'll still send you a billing statement each month.

Option 3: You can pay by Electronic Funds Transfer (EFT)

You can have your monthly plan premium automatically taken out of your checking or savings account. Call Customer Service to get an Automatic Payment form. Fill out the form and send it back to us to set up your monthly payments. You can also find the form online at ucare.org/formembers.

We'll take out your premium payments between the 7th and 10th day of each month. You won't get a monthly billing statement in the mail.

Option 4: You can have the plan premium taken out of your monthly Social Security Check

You can have the plan premium taken out of your monthly Social Security check. Contact Customer Service for more information on how to pay your plan premium this way. We will be happy to help you set this up. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Option 5: You can have the plan premium taken out of your monthly Railroad Retirement Board check

You can have the plan premium taken out of your monthly Railroad Retirement Board check. Contact Customer Service for more information on how to pay your plan premium this way. We will be happy to help you set this up. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

What to do if you are having trouble paying your plan premium

Your plan premium is due in our office by the 1st of the month. If we have not received your premium by the 12th of the month, we will send you a notice telling you that your plan membership will end if we do not receive your premium payment within 90 days.

If you are having trouble paying your premium on time, please contact Customer Service to see if we can direct you to programs that will help with your plan premium. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

If we end your membership because you did not pay your premiums, you will have health coverage under Original Medicare.

At the time we end your membership, you may still owe us for premiums you have not paid. In the future, if you want to enroll again in our plan (or another plan that we offer), you will need to pay the late premiums before you can enroll.

If you think we have wrongfully ended your membership, you have a right to ask us to reconsider this decision by making a complaint. Chapter 7, Section 9 of this booklet tells how to make a complaint. If you had an emergency circumstance that was out of your control and it caused you to not be able to pay your premiums within our grace period, you can ask us to reconsider this decision by calling 612-676-3600 or 1-877-523-1515 (toll free), between 8 am – 8 pm, seven days a week. TTY users should call 612-676-6810 or 1-800-688-2534 (toll free). You must make your request no later than 60 days after the date your membership ends.

Section 4.3	Can we change your monthly plan premium during the year?
--------------------	---

No. We are not allowed to change the amount we charge for the plan's monthly plan premium during the year. If the monthly plan premium changes for next year we will tell you in September and the change will take effect on January 1.

SECTION 5 Please keep your plan membership record up to date

Section 5.1	How to help make sure that we have accurate information about you
--------------------	--

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage.

The doctors, hospitals, and other providers in the plan's network need to have correct information about you. **These network providers use your membership record to know what services are covered and the cost sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

Let us know about these changes:

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage you have (such as from your employer, your spouse’s employer, workers’ compensation, or Medicaid)
- If you have any liability claims, such as claims from an automobile accident
- If you have been admitted to a nursing home
- If you receive care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you are participating in a clinical research study

If any of this information changes, please let us know by calling Customer Service (phone numbers are printed on the back cover of this booklet).

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Think over the information we contact you about for any other insurance coverage you have

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That’s because we must coordinate any other coverage you have with your benefits under our plan. (For more information about how our coverage works when you have other insurance, see Section 7 in this chapter.)

Once each year, we may call you or send you a letter that lists any other medical or drug insurance coverage that we know about. Please think about this information carefully. If it is correct, you don’t need to do anything. If the information is incorrect, or if you have other coverage, please call Customer Service (phone numbers are printed on the back cover of this booklet).

SECTION 6 We protect the privacy of your personal health information

Section 6.1 We make sure that your health information is protected
--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

For more information about how we protect your personal health information, please go to Chapter 6, Section 1.3 of this booklet.

SECTION 7 How other insurance works with our plan

Section 7.1 Which plan pays first when you have other insurance?
--

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the “primary payer” and pays up to the limits of its coverage. The one that pays second, called the “secondary payer,” only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member’s current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you’re under 65 and disabled and you or your family member are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
 - If you’re over 65 and you or your spouse are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers’ compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

If you have other insurance, tell your doctor, hospital, and pharmacy. If you have questions about who pays first, or you need to update your other insurance information, call Customer Service (phone numbers are printed on the back cover of this booklet). You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

SECTION 2 Medicare
(how to get help and information directly from the Federal Medicare program)

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called “CMS”). This agency contracts with Medicare Advantage organizations including us.

Method	Medicare – Contact Information
CALL	1-800-MEDICARE, or 1-800-633-4227 Calls to this number are free. 24 hours a day, 7 days a week.
TTY	1-877-486-2048 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free.

Chapter 2. Important phone numbers and resources

Method	Medicare – Contact Information

(You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)</p>

SECTION 3 State Health Insurance Assistance Program (free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Minnesota, the SHIP is called Senior LinkAge Line®.

Senior LinkAge Line® is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

Senior LinkAge Line® counselors can help you with your Medicare questions or problems. They can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. Senior LinkAge Line® counselors can also help you understand your Medicare plan choices and answer questions about switching plans.

Method	Senior LinkAge Line® (Minnesota SHIP) – Contact Information
CALL	1-800-333-2433 (Calls to this number are free.)
TTY	Minnesota Relay Service at 711 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	Minnesota Board on Aging PO Box 64976 St. Paul, MN 55164-0976
WEBSITE	www.seniorlinkageline.com

SECTION 4 Quality Improvement Organization (paid by Medicare to check on the quality of care for people with Medicare)

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Minnesota, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals who are paid by the Federal government. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It is not connected with our plan.

You should contact Livanta in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Method	Livanta (Minnesota’s Quality Improvement Organization) – Contact Information
CALL	1-888-524-9900 (Calls to this number are free.) 9 am – 5 pm, Monday – Friday 11 am – 3 pm on weekends
TTY	1-888-985-8775 (Calls to this number are free.) This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
FAX	1-855-236-2423
WRITE	Livanta 10820 Guilford Road Suite 202 Annapolis Junction, MD 20701
WEBSITE	www.livantaqio.com

Chapter 2. Important phone numbers and resources**SECTION 5 Social Security**

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. Social Security handles the enrollment process for Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – Contact Information
CALL	<p>1-800-772-1213</p> <p>Calls to this number are free.</p> <p>Available 7:00 am to 7:00 pm, Monday through Friday.</p> <p>You can use Social Security’s automated telephone services to get recorded information and conduct some business 24 hours a day.</p>
TTY	<p>1-800-325-0778</p> <p>This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.</p> <p>Calls to this number are free.</p> <p>Available 7:00 am to 7:00 pm, Monday through Friday.</p>
WEBSITE	www.ssa.gov

SECTION 6 Medicaid (a joint Federal and state program that helps with medical costs for some people with limited income and resources)

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualified Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact the Minnesota Department of Human Services.

Method	Minnesota Department of Human Services: (Minnesota’s Medicaid program) – Contact Information
CALL	651-431-2000 (Twin Cities metro area) 1-800-657-3739 (Calls to this number are free.) 8 am – 5 pm, Monday – Friday
TTY	1-800-627-3529 (Calls to this number are free.) or 711 These numbers require special telephone equipment and are only for people who have difficulties with hearing or speaking.
WRITE	PO Box 64976 St. Paul, MN 55164-0976

SECTION 7 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation’s railroad workers and their families. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address.

Method	Railroad Retirement Board – Contact Information
CALL	1-877-772-5772 Calls to this number are free. If you press “0,” you may speak with an RRB representative from 9:00 am to 3:30 pm, Monday, Tuesday, Thursday, and Friday, and from 9:00 am to 12:00 pm on Wednesday. If you press “1”, you may access the automated RRB HelpLine and recorded information 24 hours a day, including weekends and holidays.
TTY	1-312-751-4701 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are <i>not</i> free.
WEBSITE	rrb.gov/

SECTION 8 Do you have “group insurance” or other health insurance from an employer?

If you (or your spouse) get benefits from your (or your spouse’s) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Service if you have any questions. You can ask about your (or your spouse’s) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Service are printed on the back cover of this booklet.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

Chapter 3. Using the plan's coverage for your medical services

Section 8.2 What is your cost sharing? Will it change after 36 months?..... 43
Section 8.3 What happens if you leave your plan and return to Original Medicare? 43

SECTION 1 Things to know about getting your medical care covered as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

Section 1.1 What are “network providers” and “covered services”?
--

Here are some definitions that can help you understand how you get the care and services that are covered for you as a member of our plan:

- **“Providers”** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **“Network providers”** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **“Covered services”** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, UCare Value must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

UCare Value will generally cover your medical care as long as:

- **The care you receive is included in the plan's Medical Benefits Chart** (this chart is in Chapter 4 of this booklet).
- **The care you receive is considered medically necessary.** “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Chapter 3. Using the plan's coverage for your medical services

- **You have a network primary care provider (a PCP) who is providing and overseeing your care.** As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).
- **In general, you receive your care from a network provider** (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. *Here are four exceptions:*
 - The plan covers emergency or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.
 - You can obtain certain covered services through the Point-of-Service (POS) benefit at the out-of-network cost sharing level. You do not need a referral from your PCP before getting services through the POS benefit. See Chapter 4, Section 2.3 for more information about the POS benefit.
 - If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider. You must obtain authorization from us prior to seeking care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.3 in this chapter.
 - The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.

SECTION 2 Use providers in the plan's network to get your medical care

Section 2.1	You must choose a Primary Care Provider (PCP) to provide and oversee your medical care
--------------------	---

What is a "PCP" and what does the PCP do for you?

A PCP is a provider who knows you and your medical history. Your PCP is trained to give you basic medical care. When you become a member of the plan, you must choose a Primary Care Clinic. A Primary Care Clinic is a clinic within UCare's network. You can see any PCP at this clinic. The types of providers that can act as a PCP are family medicine doctors, general practitioners, internists, geriatricians, doctors in obstetrics/gynecology, nurse midwives, physician assistants and nurse practitioners. You can get your routine or basic care from your PCP who will also coordinate the rest of the covered services you get as a plan member. This includes but is not limited to:

- Diagnostic tests
- X-rays
- Laboratory tests

Chapter 3. Using the plan's coverage for your medical services

- Therapies
- Hospital admissions
- Follow-up care
- Care from doctors who are specialists (you do not need a referral to see an in-network specialist)

“Coordinating” your services includes checking or consulting with other network providers about your care and how it is going. Some services will need prior authorization (see Chapter 4 for details). Because your provider will coordinate your medical care, you should have all of your past medical records sent to your provider’s office. Chapter 6 tells you how we protect the privacy of your medical records and personal health information.

How do you choose your PCP?

When you are a member or become a member of UCare you chose or were assigned to a Primary Care Clinic. You can change your Primary Care Clinic at any time.

Changing your PCP

You may change your PCP for any reason at any time. Also, it’s possible that your PCP might leave our plan’s network of providers and you would have to find a new PCP in our plan. If we are notified that your provider or clinic is leaving the network, we will notify you in writing.

You may change your provider or clinic at any time, effective the first day of the next month. To change your provider or clinic, call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 2.2	How to get care from specialists and other network providers
--------------------	---

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

You can see any specialist in the network on your own without a referral. To see an **out-of-network** doctor or specialist at the **in-network** cost sharing level, you or your PCP must obtain prior authorization from us in order for those services to be covered. You can also use the Point-of-Service (POS) benefit and pay the out-of-network cost sharing. See Chapter 4, Section 2.3 for details on the POS benefit.

UCare has a mental health and substance use disorder triage line to assist members with any questions about how to get care from a mental health specialist or other network providers. Our triage line is available by phone Monday – Friday between 8 am – 5 pm at 612-676-6533 or 1-833-276-1185 (toll free) to support the mental health or substance use disorder needs of our members.

Chapter 3. Using the plan's coverage for your medical services

What if a specialist or another network provider leaves our plan?

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider to manage your care.

Contact Customer Service and we can assist you in finding and selecting another provider. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Section 2.3	How to get care from out-of-network providers
--------------------	--

Coverage is available for certain services from out-of-network providers and facilities through the Point-of-Service (POS) benefit. POS benefits are covered at the out-of-network cost sharing level. You do not need a referral from your PCP before using POS benefits.

See Chapter 4, Section 2.3 for more details.

SECTION 3 How to get covered services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency
--

What is a “medical emergency” and what should you do if you have one?

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it, anywhere in the world. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, see the Medical Benefits Chart in Chapter 4 of this booklet.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. However, if you choose to remain with out-of-network providers, you will have to pay the Point-of-Service (POS) coinsurance, see Chapter 4, Section 2.3 for more details.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

Chapter 3. Using the plan's coverage for your medical services

However, after the doctor has said that it was *not* an emergency, we will cover additional care *only* if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care;
- – *or* – The additional care you get is considered “urgently needed services” and you follow the rules for getting this urgent care (for more information about this, see Section 3.2 below).

Section 3.2	Getting care when you have an urgent need for services
--------------------	---

What are “urgently needed services”?

“Urgently needed services” are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

What if you are in the plan's service area when you have an urgent need for care?

You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible and it is not reasonable to wait to obtain care from your network provider when the network becomes available, we will cover urgently needed services that you get from an out-of-network provider.

You can find a list of urgent care providers online at ucare.org/searchnetwork, or by calling Customer Service at the number on the back cover of this booklet. To find out how to access urgently needed care, call your provider, or you can call the 24/7 nurse line, which is answered 24 hours a day, 7 days a week. (The phone number is on the back of your plan membership card.) The 24/7 nurse line can give you information on how to access care after normal business hours.

What if you are outside the plan's service area when you have an urgent need for care?

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider at the lower in-network cost sharing amount.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances. If you have an emergency or an urgent need for care outside of the U.S. and its territories, you may have to pay for those services upfront. If this happens, you then have to ask us to pay you back. Your provider may also choose to submit a claim on your behalf.

Chapter 3. Using the plan's coverage for your medical services

We'll pay you back (or will pay the provider if they submit the claim) at rates no greater than the rates at which Original Medicare would pay, had the services been performed in the locality where you live in the U.S. We'll subtract any cost sharing amount you owe from the amount we pay. The amount we pay may be less than the amount you pay the foreign provider. This is because we'll pay at rates no greater than what Original Medicare would pay, and because foreign providers might charge more for services than the rates at which Original Medicare would pay. Because of this, you may want to consider purchasing travel insurance when you are planning to travel outside of the United States.

Worldwide emergency and urgent care services are a supplemental benefit not generally covered by Medicare. You must send proof of payment to UCare so we can pay you back. See Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*) for more information. If you've already paid for the covered services, we'll pay you back for our share of the cost. You can send the bill with medical records to us for payment consideration. See Chapter 5 (*Asking us to pay our share of a bill you have received for covered medical services*) for information about what to do if you get a bill or if you need to ask us to pay you back.

Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: ucare.org/important-coverage-information for information on how to obtain needed care during a disaster.

Generally, if you cannot use a network provider during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost sharing.

SECTION 4 What if you are billed directly for the full cost of your covered services?

Section 4.1 You can ask us to pay our share of the cost of covered services

If you have paid more than your share for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 5 (*Asking us to pay our share of a bill you have received for covered medical services*) for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

UCare Value covers all medical services that are medically necessary, these services are listed in the plan's Medical Benefits Chart (this chart is in Chapter 4 of this booklet), and are obtained

Chapter 3. Using the plan's coverage for your medical services

consistent with plan rules. You are responsible for paying the full cost of services that aren't covered by our plan, either because they are not plan covered services, or they were obtained out-of-network and were not authorized.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it. You also have the right to ask for this in writing. If we say we will not cover your services, you have the right to appeal our decision not to cover your care.

Chapter 7 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has more information about what to do if you want a coverage decision from us or want to appeal a decision we have already made. You may also call Customer Service to get more information (phone numbers are printed on the back cover of this booklet).

For covered services that have a benefit limitation, you pay the full cost of any services you get after you have used up your benefit for that type of covered service. For services with a benefit limit, any additional cost beyond the benefit limit will not count toward your out-of-pocket maximum. You can call Customer Service when you want to know how much of your benefit limit you have already used.

SECTION 5 How are your medical services covered when you are in a “clinical research study”?

Section 5.1 What is a “clinical research study”?
--

A clinical research study (also called a “clinical trial”) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. They test new medical care procedures or drugs by asking for volunteers to help with the study. This kind of study is one of the final stages of a research process that helps doctors and scientists see if a new approach works and if it is safe.

Not all clinical research studies are open to members of our plan. Medicare first needs to approve the research study. If you participate in a study that Medicare has *not* approved, *you will be responsible for paying all costs for your participation in the study.*

Once Medicare approves the study, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

Chapter 3. Using the plan's coverage for your medical services

If you want to participate in a Medicare-approved clinical research study, you do *not* need to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers.

Although you do not need to get our plan's permission to be in a clinical research study, **you do need to tell us before you start participating in a clinical research study.**

If you plan on participating in a clinical research study, contact Customer Service (phone numbers are printed on the back cover of this booklet) to let them know that you will be participating in a clinical trial and to find out more specific details about what your plan will pay.

Section 5.2	When you participate in a clinical research study, who pays for what?
--------------------	--

Once you join a Medicare-approved clinical research study, you are covered for routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

Original Medicare pays most of the cost of the covered services you receive as part of the study. After Medicare has paid its share of the cost for these services, our plan will also pay for part of the costs. We will pay the difference between the cost sharing in Original Medicare and your cost sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan.

Here's an example of how the cost sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and we would pay another \$10. This means that you would pay \$10, which is the same amount you would pay under our plan's benefits.

In order for us to pay for our share of the costs, you will need to submit a request for payment. With your request, you will need to send us a copy of your Medicare Summary Notices or other documentation that shows what services you received as part of the study and how much you owe. Please see Chapter 5 for more information about submitting requests for payment.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.

Chapter 3. Using the plan's coverage for your medical services

- Items and services the study gives you or any participant for free.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

Do you want to know more?

You can get more information about joining a clinical research study by reading the publication “Medicare and Clinical Research Studies” on the Medicare website (www.medicare.gov). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6 Rules for getting care covered in a “religious non-medical health care institution”

Section 6.1 What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. You may choose to pursue medical care at any time for any reason. This benefit is provided only for Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

Section 6.2 Receiving Care From a Religious Non-Medical Health Care Institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is “non-excepted.”

- “Non-excepted” medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- “Excepted” medical treatment is medical care or treatment that you get that is *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to *non-religious* aspects of care.

Chapter 3. Using the plan's coverage for your medical services

- If you get services from this institution that are provided to you in a facility, the following condition applies:
 - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care

You are covered for unlimited days in the hospital, as long as your stay meets Medicare coverage guidelines. For more information, see “Inpatient hospital care” in the Medical Benefits Chart in Chapter 4 of this booklet.

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1	Will you own the durable medical equipment after making a certain number of payments under our plan?
--------------------	---

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of UCare Value, however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan. Under certain limited circumstances we will transfer ownership of the DME item to you. Call Customer Service (phone numbers are printed on the back cover of this booklet) to find out about the requirements you must meet and the documentation you need to provide.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. Payments you made while in our plan do not count toward these 13 consecutive payments.

If you made fewer than 13 payments for the DME item under Original Medicare *before* you joined our plan, your previous payments also do not count toward the 13 consecutive payments. You will have to make 13 new consecutive payments after you return to Original Medicare in order to own the item. There are no exceptions to this case when you return to Original Medicare.

SECTION 8 Rules for Oxygen Equipment, Supplies, and Maintenance

Section 8.1 What oxygen benefits are you entitled to?

If you qualify for Medicare oxygen equipment coverage, then for as long as you are enrolled, UCare Value will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave UCare Value or no longer medically require oxygen equipment, then the oxygen equipment must be returned to the owner.

Section 8.2 What is your cost sharing? Will it change after 36 months?

Your cost sharing for Medicare oxygen equipment coverage is 20% coinsurance every month. However, after 36 months you will be responsible for the full cost. After 5 years from the first date of service, we will resume paying our share of the cost if applicable.

If prior to enrolling in UCare Value you had made 36 months of rental payment for oxygen equipment coverage, your cost sharing in UCare Value is 20% coinsurance, every month. However, after 36 months you will be responsible for the full cost. After 5 years from the first date of service, we will resume paying our share of the cost if applicable.

Section 8.3 What happens if you leave your plan and return to Original Medicare?

If you return to Original Medicare, then you start a new 36-month cycle which renews every five years. For example, if you had paid rentals for oxygen equipment for 36 months prior to joining UCare Value, join UCare Value for 12 months, and then return to Original Medicare, you will pay full cost sharing for oxygen equipment coverage.

Similarly, if you made payments for 36 months while enrolled in UCare Value and then return to Original Medicare, you will pay full cost sharing for oxygen equipment coverage

CHAPTER 4

*Medical Benefits Chart
(what is covered and
what you pay)*

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

SECTION 1	Understanding your out-of-pocket costs for covered services	46
Section 1.1	Types of out-of-pocket costs you may pay for your covered services	46
Section 1.2	What is the most you will pay for Medicare Part A and B covered medical services?.....	46
Section 1.3	Our plan does not allow providers to “balance bill” you	47
SECTION 2	Use the <i>Medical Benefits Chart</i> to find out what is covered for you and how much you will pay	48
Section 2.1	Your medical benefits and costs as a member of the plan	48
Section 2.2	Extra “optional supplemental” benefits you can buy	102
Section 2.3	Point-of-Service benefit	109
SECTION 3	What services are not covered by the plan?.....	111
Section 3.1	Services we do <i>not</i> cover (exclusions)	111

SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter focuses on your covered services and what you pay for your medical benefits. It includes a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of UCare Value. Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services
--

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- A **“copayment”** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- **“Coinsurance”** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable. If you think that you are being asked to pay improperly, contact Customer Service.

Section 1.2 What is the most you will pay for Medicare Part A and B covered medical services?

Because you are enrolled in a Medicare Advantage Plan, there is a limit to how much you have to pay out-of-pocket each year for in-network medical services that are covered under Medicare Part A and Part B (see the Medical Benefits Chart in Section 2, below). This limit is called the maximum out-of-pocket amount for medical services.

As a member of UCare Value, you will have two different limits on how much you have to pay out-of-pocket for medical services. These limits are the **in-network** and **out-of-network** maximum out-of-pocket amounts.

The most you will have to pay out-of-pocket for **in-network** covered Part A and Part B services in 2021 is \$3,400. The amounts you pay for copayments and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. (The amounts you pay for your plan premiums do not count toward your in-network maximum out-of-pocket amount.) If you reach the in-network maximum out-of-pocket amount of \$3,400, you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However,

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party). For additional information on specific benefits that apply to the maximum out-of-pocket amount, see the Medical Benefits Chart in Section 2 below.

The most you will have to pay out-of-pocket for **out-of-network** covered Part A and Part B services in 2021 is \$7,500. The amounts you pay for copayments and coinsurance for out-of-network covered services count toward this maximum out-of-pocket amount. (The amounts you pay for your plan premiums do not count toward your out-of-network maximum out-of-pocket amount.) If you reach the out-of-network maximum out-of-pocket amount of \$7,500, you will not have to pay any out-of-pocket costs for the rest of the year for out-of-network covered Part A and Part B services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party). For additional information on specific benefits that apply to the maximum out-of-pocket amount, see the Medical Benefits Chart in Section 2 below.

Section 1.3	Our plan does not allow providers to “balance bill” you
--------------------	--

As a member of UCare Value, an important protection for you is that you only have to pay your cost sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

Here is how this protection works.

- If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider.
- If your cost sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan’s reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get a referral.)
- If you believe a provider has “balance billed” you, call Customer Service (phone numbers are printed on the back cover of this booklet).

SECTION 2 Use the *Medical Benefits Chart* to find out what is covered for you and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services UCare Value covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- Your Medicare-covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, and equipment) *must* be medically necessary. “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- Some of the services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval in advance (sometimes called “prior authorization”) from us. Covered services that need approval in advance are marked in the Medical Benefits Chart by an asterisk (*). In addition, the following services not listed in the Benefits Chart may require prior authorization: inpatient rehabilitation services, spine surgery, bone growth stimulators, spinal cord stimulators, and molecular/genetic testing (for example - screening for cancer).

Other important things to know about our coverage:

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare & You 2021 Handbook*. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.
- Sometimes, Medicare adds coverage under Original Medicare for new services during the year. If Medicare adds coverage for any services during 2021, either Medicare or our plan will cover those services.

You will see this apple next to the preventive services in the benefits chart.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Medical Benefits Chart**

You may be responsible for more than one cost share (copayment or coinsurance) payment if more than one service is provided at an appointment. Examples:

- Copayment for the office visit and additional cost share for diagnostic tests (including x-rays) performed while you are there.
- The hospital will ask for separate cost sharing for outpatient hospital medical services and any radiological tests or Medicare Part B drugs administered while you are there.
- The specific cost sharing depends on which services you receive. The Medical Benefits Chart below lists the cost sharing that applies for each specific service.

Services that are covered for you	What you must pay when you get these services In-Network	What you must pay when you get these services Out-of-Network
 Abdominal aortic aneurysm screening A one-time screening ultrasound for people at risk. The plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.
Acupuncture for chronic low back pain Covered services include: Up to 12 visits in 90 days are covered for Medicare beneficiaries under the following circumstances: For the purpose of this benefit, chronic low back pain is defined as: <ul style="list-style-type: none"> • Lasting 12 weeks or longer; • nonspecific, in that it has no identifiable systemic cause (i.e., not associated with metastatic, inflammatory, infectious, etc. disease); 	\$0 copayment for acupuncture from a qualified primary care physician. Or, under certain circumstances, by a qualified nurse practitioner or physician's assistant or other non-physician health care professionals (as permitted under Medicare rules).	\$0 copayment for acupuncture from a qualified primary care physician. Or, under certain circumstances, by a qualified nurse practitioner or physician's assistant or other non-physician health care professionals (as permitted under Medicare rules).

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services In-Network	What you must pay when you get these services Out-of-Network
<p>Acupuncture for chronic low back pain (continued)</p> <ul style="list-style-type: none"> not associated with surgery; and not associated with pregnancy. <p>An additional eight sessions will be covered for those patients demonstrating an improvement. No more than 20 acupuncture treatments may be administered annually.</p> <p>Treatment must be discontinued if the patient is not improving or is regressing.</p>	<p>\$35 copayment for acupuncture from a qualified specialist. Or, under certain circumstances, by a qualified nurse practitioner or physician's assistant or other non-physician health care professionals (as permitted under Medicare rules).</p> <p>You pay this amount until you reach the out-of-pocket maximum</p>	<p>\$35 copayment for acupuncture from a qualified specialist. Or, under certain circumstances, by a qualified nurse practitioner or physician's assistant or other non-physician health care professionals (as permitted under Medicare rules).</p> <p>You pay this amount until you reach the out-of-pocket maximum</p>
<p>Ambulance services</p> <ul style="list-style-type: none"> Covered ambulance services include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care only if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by the plan. 	<p>\$100 copayment for each one-way Medicare-covered trip.</p> <p>You pay this amount until you reach the out-of-pocket maximum.</p>	<p>\$100 copayment for each one-way Medicare-covered trip.</p> <p>You pay this amount until you reach the out-of-pocket maximum.</p>

 “Welcome to Medicare” preventive visit (continued) Important: We cover the “Welcome to Medicare” preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor’s office know you would like to schedule your “Welcome to Medicare” preventive visit.		diagnostic tests and therapeutic services and supplies" section found in this Medical Benefits Chart for other EKGs. You pay this amount until you reach the out-of-pocket maximum.

Section 2.2 Extra “optional supplemental” benefits you can buy

Our plan offers some extra benefits that are not covered by Original Medicare and not included in your benefits package as a plan member. These extra benefits are called **“Optional Supplemental Benefits.”** If you want these optional supplemental benefits, you must sign up for them and you may have to pay an additional premium for them. The optional supplemental benefits described in this section are subject to the same appeals process as any other benefits.

As a member of the plan, you have the option of purchasing the Choice Dental benefit package. You may select this option (a) upon your initial enrollment into the plan, (b) within the first 30 days of enrollment into the plan, or (c) during the Annual Election Period each year. The monthly premium in 2021 is \$25. This is in addition to your monthly UCare Value plan premium and your Medicare Parts A and/or B premium, if applicable. The deductible and coinsurance for these covered services do not apply toward your out-of-pocket maximum described in this Chapter 4. Dental services are administered by Delta Dental of Minnesota (Delta Dental) (“administrator”).

The following coverage information applies if you purchase Choice Dental.

- A. Selecting Your Dentist.** You should select a Delta Dental Medicare Advantage network dental provider from the provider directory. This provider will be responsible for the coordination of all covered dental services and for ensuring continuity of care. The network dental provider will provide most services either directly or through a licensed dental professional. For more information about whether your dentist is contracted with the

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

administrator, call Delta Dental customer service at 1-855-648-1416 (toll free) or 651-768-1416 (local), Monday through Friday, from 7 am to 7 pm, or call the TTY line at 711 (toll free). You can also call UCare Customer Service. (Phone numbers are printed on the back cover of this booklet.)

Seeing a specialized network dental provider does not require a referral from your usual network dental provider, but it is recommended that you consult with your usual network dental provider before going to a specialist. Enrolling in this benefit does not guarantee that you will obtain any given dental services from any particular dentist.

Using Out-of-Network Dentists. You may use a dentist not in the Delta Dental Medicare Advantage network. However, services must be obtained within the United States and its territories. **Services rendered by dentists who have opted out or been excluded from Medicare are not eligible for reimbursement.** If you receive covered dental services from a dentist or other dental provider who is not in the network, you will be responsible for the coinsurance shown in Section D plus 100% of the difference between the actual billed charge and the UCare dental fee schedule. If your dentist is unable to submit a claim for you, you may request out-of-network reimbursement, by submitting the claim obtained from your dentist to:

Delta Dental of Minnesota
PO Box 9120
Farmington Hills, MI 48333-9120

Reimbursement may be delayed if submitted without the required documentation listed above.

B. Covered Dental Services. Dental services described in this section are covered dental services when they are:

- Provided by or under the direction of a dentist or other appropriate provider as specifically described in this *Evidence of Coverage*.
- Determined to be medically necessary by the administrator.
- A cost-effective, clinically accepted treatment.
- Not excluded under this *Evidence of Coverage*.

Covered dental services are subject to payment of the monthly premium, and satisfaction of the annual deductible and coinsurance as described in the Schedule of Benefits chart in Section D below. **Some preventive and diagnostic services are covered under your basic coverage described in this *Evidence of Coverage* in the Dental Services section of the Medical Benefits Chart in Chapter 4.**

C. Disenrollment. If you cancel your Choice Dental coverage, you cannot re-enroll until the Annual Election Period (to be effective January 1st). If you decide to disenroll from Choice Dental, please send a written request to:

UCare

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Attn: Medicare Enrollment**

Fax to: 612-676-6562

- D. Schedule of Benefits.** This section states the deductible and the coinsurance percentage you pay for different levels of covered dental services. It also states the annual maximum amount for this dental benefit and explains how benefits are coordinated with other dental coverage you may have.

Annual Deductible: \$75 per calendar year (does not apply to preventive or diagnostic services covered under your Evidence of Coverage in the Dental Services section of the Medical Benefits Chart, or the “Additional Preventive and Diagnostic Services” table, in Chapter 4). You must pay the deductible on covered dental services before coverage begins.

Annual Maximum: \$2,000 benefit maximum per calendar year. This is the maximum amount we will pay for covered dental services.

Coordination of Benefits (COB): When the administrator is the secondary insurance carrier, a copy of the primary carrier’s Explanation of Benefits must be submitted with the claim. For electronic claim submissions, the payment made by the primary carrier must be indicated in the appropriate box on the ADA claim form (labeled “payment by other plan”). When a primary carrier’s payment exceeds the UCare dental fee schedule, the administrator will consider the claim paid in full and no further payment will be made on the claim.

Additional Preventive and Diagnostic Services (not subject to annual deductible)	What you must pay when you get these services In-Network	What you must pay when you get these services Out-of-Network
<ul style="list-style-type: none"> • One preventive oral examination per calendar year – in addition to the one preventive oral examination covered in your base plan. • One (routine) cleaning of teeth per calendar year – in addition to the one routine teeth cleaning covered in your base plan. • Full mouth x-rays every five (5) years – in addition to bite-wing x-rays covered in your base plan. 	<p>\$0 copayment. You must see a Delta Dental Medicare Advantage network dentist of your choice to receive these services at the in-network benefit level.</p>	<p>If you have dental services performed by a dentist outside of the Delta Dental Medicare Advantage network (must be within the United States and its territories), you will be responsible for paying the difference between the dentist’s fees and the UCare dental fee schedule. If the dental provider is unable to submit the claim on your behalf, it should be submitted to:</p>

Services that are covered for you – MAJOR SERVICES	What you must pay when you get these services
<p>Major restorative services</p> <ul style="list-style-type: none"> • Emergency services – major procedures. • Crowns. Limitation: Benefit for the replacement of a crown or an onlay will be provided only after a five (5) year period, measured from the last date the covered dental service was performed. • Cast onlays for treatment of severe carious lesions and severe fracture. Limitation: Benefits for the replacement of a crown or an onlay will be provided only after a five (5) year period, measured from the last date the covered dental service was performed. 	60% coinsurance on the UCare dental fee schedule.
<p>Prosthetics: Removable and fixed</p> <ul style="list-style-type: none"> • Bridges, standard partial dentures, and full dentures for the replacement of extracted permanent teeth. 	60% coinsurance on the UCare dental fee schedule.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you – MAJOR SERVICES	What you must pay when you get these services
<p>Exclusion: Coverage is not provided for the following:</p> <ul style="list-style-type: none"> ▪ Replacement of misplaced, lost, or stolen dental prosthetic appliances. ▪ Initial installation of a bridge or denture to replace teeth missing prior to coverage. ▪ Replacement of teeth congenitally missing. <ul style="list-style-type: none"> • Replacement benefit for prosthetic services: A prosthetic appliance (i.e., bridge or denture) for the purpose of replacing an existing appliance will be covered only after five (5) years, measured from the last date the covered dental service was performed and then only in the event that the existing appliance is not and cannot be made satisfactory. Services necessary to make an appliance satisfactory are covered. • Replacement benefit for fixed prosthetics: None of the individual units of the bridge may have been covered previously as a crown or cast restoration during the last five (5) year period. The fabrication of the bridge due to the loss of an existing tooth does not set aside the five (5) year exclusion on cast restorations. • Alveolectomy, alveoloplasty, and vestibuloplasty when required to prepare for dentures 	
<p>Prosthetic repair and adjustments</p> <ul style="list-style-type: none"> • Prosthetics: Provides for the repair and adjustment to prosthetic appliances when they are serving as the permanent prosthetic appliance. <p>Limitation: No adjustment, relining, or rebasing will be covered if performed during the first six (6) months following denture placement. Coverage of tissue conditioning, relining, or rebasing is limited to once in a two (2) year period.</p>	60% coinsurance on the UCare dental fee schedule.
<p>Implant services</p> <ul style="list-style-type: none"> • Surgical placement of an implant body to replace a single missing natural tooth. • Porcelain or ceramic crown over implant body. <p>Limitation: Implant services, replacing a single missing tooth. Coverage for implants is limited to one per lifetime per tooth. (See also Exclusion #19)</p>	60% coinsurance on the UCare dental fee schedule.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

E. Exclusions. While some of the exclusions shown below may be covered services under the terms of the *Evidence of Coverage* for non-dental services, the following are not covered dental services under this comprehensive dental benefit package:

1. **Services rendered by dentists who have opted out or been excluded from Medicare are not eligible for reimbursement.**
2. Dental services that are not necessary or specifically covered.
3. Hospitalization or other facility charges.
4. Prescription drugs.
5. Any dental procedure performed solely as a cosmetic procedure.
6. Charges for dental procedures completed prior to your effective date of coverage.
7. Anesthesiologist services.
8. Dental procedures, appliances, or restorations that are necessary to alter, restore, or maintain occlusion, including but not limited to: increasing vertical dimension, replacing or stabilizing tooth structure lost by attrition (wear), realignment of teeth, periodontal splinting, and gnathologic recordings.
9. Direct diagnostic surgical or non-surgical treatment procedures applied to jaw joints or muscles, except as provided under Oral Surgery in Section D.
10. Artificial material implanted or grafted into soft tissue, including surgical removal of implants, with exceptions.
11. Oral hygiene instruction and periodontal exam.
12. Services for teeth retained in relation to an overdenture. Overdenture appliances are limited to an allowance for a standard full denture.
13. Any oral surgery that includes surgical endodontics (apicoectomy, retrograde filling) other than that listed under Oral Surgery in Section D.
14. Analgesia (nitrous oxide).
15. Removable unilateral dentures.
16. Temporary procedures.
17. Splinting.
18. Consultations by the treating provider and office visits.
19. Initial installation of implants, full or partial dentures or fixed bridgework to replace a tooth or teeth extracted prior to your effective date. **Exception:** This exclusion will not apply for any member who has been continuously covered under Choice Dental for more than 24 months.
20. Occlusal analysis, occlusal guards (night guards), and occlusal adjustments (limited and complete).
21. Veneers (bonding of coverings to the teeth).
22. Orthodontic treatment procedures.
23. Corrections to congenital conditions, other than for congenital missing teeth.
24. Athletic mouth guards.
25. Retreatment or additional treatment necessary to correct or relieve the results of previous treatment, except as noted in Section D.
26. Space maintainers.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

F. Limitations.

1. A dentist has the right to refuse treatment to a member who fails or refuses to follow prescribed course of treatment.
2. Choice Dental may not be available in subsequent years. If the dental package is no longer offered, or a calendar year or years are skipped and any dental package is then re-established, unused multi-year benefits and limits do not carry over into any later periods. The coverage would then begin anew if the dental package is offered again, or end once it is not offered. Availability of the dental package is not based on your individual health or your use of the dental package benefits, but on the experience of the dental package as a whole.
3. New or experimental dental techniques or procedures may be denied until there is, to the plan's satisfaction, an established scientific basis for recommendation. Experimental dental techniques or procedures are defined as a dental service technique or procedure that lacks wide recognition as a proven and effective treatment in dentistry using the following criteria:
 - a. Scientific evidence must permit conclusions concerning the technique, procedure, or technology on dental outcomes.
 - b. The technique, procedure, or technology must improve net dental outcome.
 - c. The technique, procedure, or technology must be as beneficial as any established alternative.
 - d. Improvements, techniques, and/or procedures must be attainable outside investigational settings.
 - e. A drug or device must be declared safe and effective for the use prescribed by the U.S. Food and Drug Administration. For purposes of this definition, drugs and devices are those identified in the Food and Drug Act.
4. Covered materials used for covered dental procedures are limited to those that are usual and customary materials, except as noted in Section D.

Section 2.3	Point-of-Service benefit
--------------------	---------------------------------

Coverage is available for certain covered services provided by out-of-network physicians and facilities under the Point-of-Service benefit. Services must be obtained within the United States and its territories. You cannot use out-of-network providers who have opted out of the Medicare program (see Chapter 9, Section 10 for more information about provider opt-out).

Please note: Medicare requires that renal (kidney) dialysis services you receive when you are temporarily outside the plan's service area be the same as in-network cost sharing. Dialysis services must be provided by a Medicare-certified dialysis facility. Medicare also requires that emergency care and urgently needed care be covered in-network and out-of-network. For applicable copayments, see the corresponding benefit descriptions in the Medical Benefits Chart in this Chapter 4.

Point-of-Service plan benefit maximum

Under the Point-of-Service benefit, there is a \$100,000 plan benefit maximum. After you reach this \$100,000 plan benefit maximum, you are responsible for any charges for benefits received from out-of-network providers.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

The allowed amount depends on the provider's Medicare participating status. For out-of-network providers, the amount paid by UCare for services and supplies is the lesser of the provider's billed amount or the Medicare-allowed amount. The **Medicare-allowed amount** is dependent upon the provider's Medicare participating status.

- For providers who have an agreement with CMS to accept assignment, the allowed amount is the Medicare fee schedule.
- For providers who do not accept assignment, they are not required to accept the Medicare fee schedule amount as payment in full. They may charge a higher amount, which is called the Medicare limiting charge. The limiting charge is 115% of the Medicare fee schedule amount for those who accept assignment.

Balance billing by the provider for amounts above the maximum charge is not allowed.

Before getting services or items under this Point-of-Service benefit, you should ask the out-of-network provider or supplier whether or not he/she accepts assignment of Medicare benefits.

For non-Medicare-covered dental services performed by a dentist outside of the Delta Dental Medicare Advantage network (must be within the United States and its territories), members may be responsible for submitting their dental claim to Delta Dental. If your provider is not able to submit your dental claim to Delta Dental on your behalf, you can submit your claim for reimbursement to:

Delta Dental of Minnesota
PO Box 9120
Farmington Hills, MI 48333-9120

- You will be responsible for paying the difference between the dentist's fee and the UCare dental fee schedule.

Accessing the Point-of-Service benefit

At the time of service, show your plan membership card. The out-of-network provider should send the bill to us at the address on the back of the card. You pay your portion of the bill at the time of service or when billed by the provider.

If you intend to use this benefit for inpatient hospitalization, we recommend you call Customer Service. (Phone numbers are printed on the back cover of this booklet.)

Whenever a claim is processed for the Point-of-Service (POS) benefit, members receive an Explanation of Benefits (EOB) outlining the payment made for the POS service(s). Appeal rights are also sent with the EOB. The Point-of-Service benefit is subject to the same appeals process as any other benefit.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**SECTION 3 What services are not covered by the plan?****Section 3.1 Services we do not cover (exclusions)**

This section tells you what services are “excluded” from Medicare coverage and therefore, are not covered by this plan. If a service is “excluded,” it means that this plan doesn’t cover the service.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself. We won’t pay for the excluded medical services listed in the chart below except under the specific conditions listed. The only exception: we will pay if a service in the chart below is found upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 7, Section 5.3 in this booklet.)

All exclusions or limitations on services are described in the Benefits Chart or in the chart below.

Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Services considered not reasonable and necessary, according to the standards of Original Medicare	✓	
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by our plan and Original Medicare to not be generally accepted by the medical community.		✓ May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (See Chapter 3, Section 5 for more information on clinical research studies.)
Private room in a hospital.		✓ Covered only when medically necessary.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television.	✓	
Full-time nursing care in your home.	✓	
*Custodial care is care provided in a nursing home, hospice, or other facility setting when you do not require skilled medical care or skilled nursing care.	✓	
Homemaker services include basic household assistance, including light housekeeping or light meal preparation.	✓	
Fees charged for care by your immediate relatives or members of your household.	✓	
Cosmetic surgery or procedures		<p style="text-align: center;">✓</p> <p>Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member.</p> <p>Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.</p>

*Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Comprehensive dental care (such as major restorative services).		<p style="text-align: center;">✓</p> <p>Comprehensive dental care is covered when you purchase the optional supplemental dental benefit described in Section 2.2 of Chapter 4 of the Evidence of Coverage. Services rendered by dentists who have opted out or been excluded from Medicare are not eligible for reimbursement.</p>
Routine dental care, such as cleanings, fillings or dentures		<p style="text-align: center;">✓</p> <p>Preventive and diagnostic services are covered as described in the Dental Services section of the Medical Benefits Chart in Chapter 4 of this Evidence of Coverage. Services rendered by dentists who have opted out or been excluded from Medicare are not eligible for reimbursement.</p>
Non-routine dental care.		<p style="text-align: center;">✓</p> <p>Dental care required to treat illness or injury may be covered as inpatient or outpatient care.</p>
Routine chiropractic care		<p style="text-align: center;">✓</p> <p>Manual manipulation of the spine to correct a subluxation is covered.</p>
Routine foot care		<p style="text-align: center;">✓</p> <p>Some limited coverage provided according to Medicare guidelines, e.g., if you have diabetes.</p>
Home-delivered meals	✓	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Orthopedic shoes		<p style="text-align: center;">✓</p> If shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
Supportive devices for the feet		<p style="text-align: center;">✓</p> Orthopedic or therapeutic shoes for people with diabetic foot disease.
Radial keratotomy, LASIK surgery, and other low vision aids.		<p style="text-align: center;">✓</p> Eye exam and one pair of eyeglasses (or contact lenses) are covered for people after cataract surgery.
Reversal of sterilization procedures and or non-prescription contraceptive supplies.	✓	
Acupuncture		✓
Naturopath services (uses natural or alternative treatments).	✓	

CHAPTER 5

*Asking us to pay our share of a bill
you have received for covered
medical services*

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

SECTION 1	Situations in which you should ask us to pay our share of the cost of your covered services.....	117
Section 1.1	If you pay our plan’s share of the cost of your covered services, or if you receive a bill, you can ask us for payment	117
SECTION 2	How to ask us to pay you back or to pay a bill you have received.....	119
Section 2.1	How and where to send us your request for payment	119
SECTION 3	We will consider your request for payment and say yes or no.....	120
Section 3.1	We check to see whether we should cover the service and how much we owe	120
Section 3.2	If we tell you that we will not pay for all or part of the medical care, you can make an appeal.....	120

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services

Section 1.1	If you pay our plan's share of the cost of your covered services, or if you receive a bill, you can ask us for payment
--------------------	---

Sometimes when you get medical care, you may need to pay the full cost right away. Other times, you may find that you have paid more than you expected under the coverage rules of the plan. In either case, you can ask our plan to pay you back (paying you back is often called “reimbursing” you). It is your right to be paid back by our plan whenever you’ve paid more than your share of the cost for medical services that are covered by our plan.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you’ve received emergency or urgently needed medical care from a provider who is not in our plan’s network

You can receive emergency services from any provider, whether or not the provider is a part of our network. When you receive emergency or urgently needed services from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly, and ask you only for your share of the cost. But sometimes they make mistakes, and ask you to pay more than your share.

- You only have to pay your cost sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

billing.” This protection (that you never pay more than your cost sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges. For more information about “balance billing,” go to Chapter 4, Section 1.3.

- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan

Sometimes a person’s enrollment in the plan is retroactive. (Retroactive means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork for us to handle the reimbursement.

Please call Customer Service for additional information about how to ask us to pay you back and deadlines for making your request. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

4. When you ask us to pay our share of the cost for eyewear

We’ll pay for part of the cost of some types of eyewear. You can find information about your eyewear benefits in the *Medical Benefits Chart* in Chapter 4. After you pay the entire price for your eyewear, send us a copy of your receipt and ask us to pay you back for our share of the cost.

So we pay you back quickly, be sure to include your member ID number with your request. Your ID number is on your UCare Member ID card. Requests for more than one member must be made separately and include separate member ID numbers.

If we can’t pay you back in full, we’ll send you a notice of denial letter. This letter will tell you the amount that won’t be refunded and the reason. Reasons include sales tax and amounts beyond what your benefits allow.

5. When you use your worldwide emergency, urgently-needed services or emergency transportation benefits

If you have an emergency, urgent need for services or emergency transportation, outside of the U.S. and its territories, you’ll have to pay for those services upfront. You’ll then have to ask us to pay you back.

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

We'll pay you back at rates no greater than the rates at which Original Medicare would pay, had the services been performed in the locality where you live in the U.S. We'll subtract any cost sharing amount you owe from the amount we pay you back. The amount we pay you back may be less than the amount you pay the foreign provider. This is because we'll pay at rates no greater than what Original Medicare would pay, and because foreign providers might charge more for services than the rates at which Original Medicare would pay.

Save your receipts and send us copies when you ask us to pay you back. Your receipts should show that it's for an emergency or urgently-needed service. Depending on the language, we may not be able to translate the bill into English to process the claim. In some situations, we may need to get more information from you or the provider in order to pay you back for our share of the cost. Please see Chapter 5, Section 2.1 for how and where to send us your request for payment.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 7 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or to pay a bill you have received

Section 2.1 How and where to send us your request for payment
--

Send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it will help us process the information faster.
- Either download a copy of the form from our website (ucare.org/formembers) or call Customer Service and ask for the form. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Mail your request for payment together with any bills or receipts to us at this address:

UCare
Attn: DMR Department
PO Box 52
Minneapolis, MN 55440-0052

You must submit your claim to us within 12 months of the date you received the service or item.

Chapter 5. Asking us to pay our share of a bill you have received for covered medical services

Contact Customer Service if you have any questions (phone numbers are printed on the back cover of this booklet). If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment you have already sent to us.

SECTION 3 We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service and how much we owe
--

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care is covered and you followed all the rules for getting the care, we will pay for our share of the cost. If you have already paid for the service, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service yet, we will mail the payment directly to the provider. (Chapter 3 explains the rules you need to follow for getting your medical services covered.)
- If we decide that the medical care is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. Instead, we will send you a letter that explains the reasons why we are not sending the payment you have requested and your rights to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care, you can make an appeal
--

If you think we have made a mistake in turning down your request for payment or you don't agree with the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment.

For the details on how to make this appeal, go to Chapter 7 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*). The appeals process is a formal process with detailed procedures and important deadlines. If making an appeal is new to you, you will find it helpful to start by reading Section 4 of Chapter 7. Section 4 is an introductory section that explains the process for coverage decisions and appeals and gives definitions of terms such as "appeal." Then after you have read Section 4, you can go to Section 5.3 to learn how to make an appeal about getting paid back for a medical service.

CHAPTER 6

Your rights and responsibilities

Chapter 6. Your rights and responsibilities

SECTION 1	Our plan must honor your rights as a member of the plan	123
Section 1.1	We must provide information in a way that works for you (in languages other than English, in braille, in large print, or other alternate formats, etc.)	123
Section 1.2	We must ensure that you get timely access to your covered services	123
Section 1.3	We must protect the privacy of your personal health information	124
Section 1.4	We must give you information about the plan, its network of providers, your covered services, and member rights and responsibilities	125
Section 1.5	We must support your right to make decisions about your care	126
Section 1.6	You have the right to make complaints and to ask us to reconsider decisions we have made	128
Section 1.7	What can you do if you believe you are being treated unfairly or your rights are not being respected?	128
Section 1.8	How to get more information about your rights and responsibilities	129
SECTION 2	You have some responsibilities as a member of the plan	129
Section 2.1	What are your responsibilities?	129
SECTION 3	If you want more information or have suggestions on information in this chapter	131
Section 3.1	If you have questions or concerns about information in this chapter	131
Section 3.2	You have the right to make recommendations regarding our member rights and responsibilities policy	132

SECTION 1 Our plan must honor your rights as a member of the plan

Section 1.1	We must provide information in a way that works for you (in languages other than English, in braille, in large print, or other alternate formats, etc.)
--------------------	--

To get information from us in a way that works for you, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Our plan has people and free interpreter services available to answer questions from disabled and non-English speaking members. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Service (phone numbers are printed on the back cover of this booklet).

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, please call to file a grievance with Customer Service. You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights. Contact information is included in this Evidence of Coverage or with this mailing, or you may contact Customer Service for additional information.

Section 1.2	We must ensure that you get timely access to your covered services
--------------------	---

As a member of our plan, you have the right to choose a primary care provider (PCP) in the plan's network to provide and arrange for your covered services (Chapter 3 explains more about this). Call Customer Service to learn which doctors are accepting new patients (phone numbers are printed on the back cover of this booklet). We do not require you to get referrals to go to network providers.

As a plan member, you have the right to get appointments and covered services from the plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care.

If you think that you are not getting your medical care within a reasonable amount of time, Chapter 7, Section 9 of this booklet tells what you can do. (If we have denied coverage for your medical care and you don't agree with our decision, Chapter 7, Section 4 tells what you can do.)

Section 1.3	We must protect the privacy of your personal health information
--------------------	--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your “personal health information” includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- The laws that protect your privacy give you rights related to getting information and controlling how your health information is used. We give you a written notice, called a “Notice of Privacy Practice,” that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don’t see or change your records.
- In most situations, if we give your health information to anyone who isn’t providing your care or paying for your care, *we are required to get written permission from you first*. Written permission can be given by you or by someone you have given legal power to make decisions for you.
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - For example, we are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held at the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your healthcare provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 1.4	We must give you information about the plan, its network of providers, your covered services, and member rights and responsibilities
--------------------	---

As a member of UCare Value, you have the right to get several kinds of information from us. (As explained above in Section 1.1, you have the right to get information from us in a way that works for you. This includes getting the information in languages other than English and in large print or other alternate formats.)

If you want any of the following kinds of information, please call Customer Service (phone numbers are printed on the back cover of this booklet):

- **Information about our plan.** This includes, for example, information about the organization, its services, its practitioners and providers, and member rights and responsibilities. It also includes information about the number of appeals made by members and the plan's performance ratings, including how it has been rated by plan members and how it compares to other Medicare health plans.
- **Information about our network providers.**
 - For example, you have the right to get information from us about the qualifications of the providers in our network and how we pay the providers in our network.
 - For a list of the providers in the plan's network, see the *Provider and Pharmacy Directory*.
 - For more detailed information about our providers, you can call Customer Service (phone numbers are printed on the back cover of this booklet) or visit our website at ucare.org/searchnetwork.
- **Information about your coverage and the rules you must follow when using your coverage.**
 - In Chapters 3 and 4 of this booklet, we explain what medical services are covered for you, any restrictions to your coverage, and what rules you must follow to get your covered medical services.
 - If you have questions about the rules or restrictions, please call Customer Service (phone numbers are printed on the back cover of this booklet).
- **Information about why something is not covered and what you can do about it.**
 - If a medical service is not covered for you, or if your coverage is restricted in some way, you can ask us for a written explanation. You have the right to this explanation even if you received the medical service from an out-of-network provider.
 - If you are not happy or if you disagree with a decision we make about what medical care is covered for you, you have the right to ask us to change the decision. You can ask us to change the decision by making an appeal. For details

on what to do if something is not covered for you in the way you think it should be covered, see Chapter 7 of this booklet. It gives you the details about how to make an appeal if you want us to change our decision. (Chapter 7 also tells about how to make a complaint about quality of care, waiting times, and other concerns.)

- If you want to ask our plan to pay our share of a bill you have received for medical care, see Chapter 5 of this booklet.
- **Information about how UCare evaluates new technology for inclusion as a covered benefit.**
 - When new technologies enter the marketplace (devices, procedures or drugs), UCare’s medical leaders carefully evaluate them for effectiveness. We use information gathered from many sources and standard-setting organizations in our evaluation.
 - UCare’s clinical and quality committees and medical directors carefully research and review new technologies before determining their medical necessity and/or appropriateness.
 - UCare uses information from many sources in our evaluation efforts, including the Hayes, Inc. Technology Assessment Reports, published peer-reviewed medical literature, consensus statements and guidelines from national medical associations and physician specialty societies, the U.S. Food and Drug Administration (FDA), other regulatory bodies, and internal and external expert sources.

Section 1.5	We must support your right to make decisions about your care
--------------------	---

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers when you go for medical care. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** This means that you have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.

- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. Of course, if you refuse treatment, you accept full responsibility for what happens to your body as a result.
- **To receive an explanation if you are denied coverage for care.** You have the right to receive an explanation from us if a provider has denied care that you believe you should receive. To receive this explanation, you will need to ask us for a coverage decision. Chapter 7 of this booklet tells how to ask the plan for a coverage decision.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called “**advance directives.**” There are different types of advance directives and different names for them. Documents called “**living will**” and “**power of attorney for health care**” are examples of advance directives.

If you want to use an “advance directive” to give your instructions, here is what to do:

- **Get the form.** If you want to have an advance directive, you can get a form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can’t. You may want to give copies to close friends or family members as well. Be sure to keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you.

- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Office of Health Facility Complaints at 651-201-4200 or 1-800-369-7994 toll free.

If you believe that a health plan did not follow the advance directive requirements, you may file a complaint with the Minnesota Health Information Clearinghouse at 651-201-5178 or 1-800-657-3793 toll free.

Section 1.6	You have the right to make complaints and to ask us to reconsider decisions we have made
--------------------	---

You have the right to voice complaints or submit appeals about the organization or the care it provides.

If you have any problems or concerns about your covered services or care, Chapter 7 of this booklet tells what you can do. It gives the details about how to deal with all types of problems and complaints. What you need to do to follow up on a problem or concern depends on the situation. You might need to ask our plan to make a coverage decision for you, make an appeal to us to change a coverage decision, or make a complaint. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**

You have the right to get a summary of information about the appeals and complaints that other members have filed against our plan in the past. To get this information, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 1.7	What can you do if you believe you are being treated unfairly or your rights are not being respected?
--------------------	--

You have the right to be treated with respect and dignity. If you feel that you are being treated unfairly or your rights are not being respected, there are actions you can take.

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, you should

call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

Is it about something else?

If you believe you have been treated unfairly or your rights have not been respected, *and it's not* about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can **call the SHIP**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Section 1.8	How to get more information about your rights and responsibilities
--------------------	---

There are several places where you can get more information about your rights and responsibilities:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can **call the SHIP**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- You can contact **Medicare**.
 - You can visit the Medicare website to read or download the publication "Medicare Rights & Protections." (The publication is available at: www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf);
 - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 2

You have some responsibilities as a member of the plan

Section 2.1	What are your responsibilities?
--------------------	--

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Service (phone numbers are printed on the back cover of this booklet). We're here to help.

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this Evidence of Coverage booklet to learn what is covered for you and the rules you need to follow to get your covered services.
 - Chapters 3 and 4 give the details about your medical services, including what is covered, what is not covered, rules to follow, and what you pay.
- **If you have any other health insurance coverage in addition to our plan, or separate prescription drug coverage, you are required to tell us.** Please call Customer Service to let us know (phone numbers are printed on the back cover of this booklet).
 - We are required to follow rules set by Medicare to make sure that you are using all of your coverage in combination when you get your covered services from our plan. This is called “**coordination of benefits**” because it involves coordinating the health benefits you get from our plan with any other benefits available to you. We’ll help you coordinate your benefits. (For more information about coordination of benefits, go to Chapter 1, Section 7.)
- **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - Give them the information they need about you and your health, in order for them to provide you care.
 - Learn as much as you can about your health problems so you can participate in developing mutually agreed-upon treatment goals with your provider.
 - Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other health care providers are supposed to explain things in a way you can understand. If you ask a question and you don’t understand the answer you are given, ask again.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor’s office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - You must pay your plan premiums to continue being a member of our plan.
 - In order to be eligible for our plan, you must have Medicare Part A and Medicare Part B. Some plan members must pay a premium for Medicare Part A. Most plan members must pay a premium for Medicare Part B to remain a member of the plan.
 - For some of your medical services covered by the plan, you must pay your share of the cost when you get the service. This will be a copayment (a fixed amount) or

coinsurance (a percentage of the total cost). Chapter 4 tells what you must pay for your medical services.

- If you get any medical services that are not covered by our plan or by other insurance you may have, you must pay the full cost.
 - If you disagree with our decision to deny coverage for a service, you can make an appeal. Please see Chapter 7 of this booklet for information about how to make an appeal.
- **Tell us if you move.** If you are going to move, it's important to tell us right away. Call Customer Service (phone numbers are printed on the back cover of this booklet).
 - **If you move *outside* of our plan service area, you cannot remain a member of our plan.** (Chapter 1 tells about our service area.) We can help you figure out whether you are moving outside our service area. If you are leaving our service area, you will have a Special Enrollment Period when you can join any Medicare plan available in your new area. We can let you know if we have a plan in your new area.
 - **If you move *within* our service area, we still need to know** so we can keep your membership record up to date and know how to contact you.
 - If you move, it is also important to tell Social Security (or the Railroad Retirement Board). You can find phone numbers and contact information for these organizations in Chapter 2.
- **Call Customer Service for help if you have questions or concerns.** We also welcome any suggestions you may have for improving our plan.
 - Phone numbers and calling hours for Customer Service are printed on the back cover of this booklet.
 - For more information on how to reach us, including our mailing address, please see Chapter 2.

SECTION 3 If you want more information or have suggestions on information in this chapter

Section 3.1 If you have questions or concerns about information in this chapter

Call Customer Service for help if you have questions or concerns. We also welcome any suggestion you may have for improving out plan.

- Phone number and calling hours for Customer Service are printed on the back cover of this booklet.
- For more information on how to reach us, including our mailing address, please see Chapter 2.

Section 3.2	You have the right to make recommendations regarding our member rights and responsibilities policy
--------------------	---

Call Customer Service to provide that information to us. We welcome your feedback.

Phone numbers and calling hours are printed on the back cover of this booklet.

CHAPTER 7

*What to do if you have a problem or
complaint (coverage decisions,
appeals, complaints)*

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****SECTION 1 Introduction****Section 1.1 What to do if you have a problem or concern**

This chapter explains two types of processes for handling problems and concerns:

- For some types of problems, you need to use the **process for coverage decisions and appeals**.
- For other types of problems, you need to use the **process for making complaints**.

Both of these processes have been approved by Medicare. To ensure fairness and prompt handling of your problems, each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Which one do you use? That depends on the type of problem you are having. The guide in Section 3 will help you identify the right process to use.

Section 1.2 What about the legal terms?

There are technical legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand.

To keep things simple, this chapter explains the legal rules and procedures using simpler words in place of certain legal terms. For example, this chapter generally says “making a complaint” rather than “filing a grievance,” “coverage decision” rather than “organization determination,” and “Independent Review Organization” instead of “Independent Review Entity.” It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms for the situation you are in. Knowing which terms to use will help you communicate more clearly and accurately when you are dealing with your problem and get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

**SECTION 2 You can get help from government organizations that
are not connected with us**

Section 2.1 Where to get more information and personalized assistance

Sometimes it can be confusing to start or follow through the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

Get help from an independent government organization

We are always available to help you. But in some situations you may also want help or guidance from someone who is not connected with us. You can always contact your **State Health Insurance Assistance Program (SHIP)**. This government program has trained counselors in every state. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers in Chapter 2, Section 3 of this booklet.

You can also get help and information from Medicare

For more information and help in handling a problem, you can also contact Medicare. Here are two ways to get information directly from Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can visit the Medicare website (www.medicare.gov).

**SECTION 3 To deal with your problem, which process should you
use?**

**Section 3.1 Should you use the process for coverage decisions and
appeals? Or should you use the process for making
complaints?**

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

To figure out which part of this chapter will help with your specific problem or concern,
START HERE

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)

Yes. My problem is about benefits or coverage.

Go on to the next section of this chapter, **Section 4, “A guide to the basics of coverage decisions and appeals.”**

No. My problem is not about benefits or coverage.

Skip ahead to **Section 9** at the end of this chapter: **“How to make a complaint about quality of care, waiting times, customer service or other concerns.”**

COVERAGE DECISIONS AND APPEALS

SECTION 4 A guide to the basics of coverage decisions and appeals

Section 4.1 Asking for coverage decisions and making appeals: the big picture

The process for coverage decisions and appeals deals with problems related to your benefits and coverage for medical services, including problems related to payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases we might decide a service is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check to see if we were following all of the rules properly. Your appeal is handled by different reviewers than those who made the original unfavorable decision. When we have completed the review we give you our decision. Under certain circumstances, which we discuss later, you can request an expedited or “fast coverage decision” or fast appeal of a coverage decision.

If we say no to all or part of your Level 1 Appeal, your case will automatically go on to a Level 2 Appeal. The Level 2 Appeal is conducted by an Independent Review Organization that is not connected to us. If you are not satisfied with the decision at the Level 2 Appeal, you may be able to continue through additional levels of appeal.

Section 4.2	How to get help when you are asking for a coverage decision or making an appeal
--------------------	--

Would you like some help? Here are resources you may wish to use if you decide to ask for any kind of coverage decision or appeal a decision:

- **You can call us at Customer Service** (phone numbers are printed on the back cover of this booklet).
- **You can get free help** from your SHIP (see Section 2 of this chapter).
- **Your doctor can make a request for you.** For medical care or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 Appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2. To request any appeal after Level 2, your doctor must be appointed as your representative.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- There may be someone who is already legally authorized to act as your representative under State law.
- If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Customer Service (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at ucare.org/formembers.) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
- **You also have the right to hire a lawyer to act for you.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.3 Which section of this chapter gives the details for your situation?

There are three different types of situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: “Your medical care: How to ask for a coverage decision or make an appeal”
- **Section 6** of this chapter: “How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon”
- **Section 7** of this chapter: “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (*Applies to these services only*: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you’re not sure which section you should be using, please call Customer Service (phone numbers are printed on the back cover of this booklet). You can also get help or information from government organizations such as your SHIP (Chapter 2, Section 3, of this booklet has the phone numbers for this program).

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

SECTION 5 Your medical care: How to ask for a coverage decision or make an appeal

Have you read Section 4 of this chapter (A guide to “the basics” of coverage decisions and appeals)? If not, you may want to read it before you start this section.

<p>Section 5.1</p>	<p>This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care</p>
---------------------------	---

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*. To keep things simple, we generally refer to “medical care coverage” or “medical care” in the rest of this section, instead of repeating “medical care or treatment or services” every time. The term “medical care” includes medical items and services as well as Medicare Part B prescription drugs. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan.
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan.
3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care.
4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care.
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health.
 - **NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Here’s what to read in those situations:**
 - Chapter 7, Section 6: *How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon.*

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Chapter 7, Section 7: *How to ask us to keep covering certain medical services if you think your coverage is ending too soon.* This section is about three services only: home health care, skilled nursing facility care, and CORF services.
- For *all other* situations that involve being told that medical care you have been getting will be stopped, use this section (Section 5) as your guide for what to do.

Which of these situations are you in?

If you are in this situation:	This is what you can do:
To find out whether we will cover the medical care you want.	You can ask us to make a coverage decision for you. Go to the next section of this chapter, Section 5.2 .
If we already told you that we will not cover or pay for a medical service in the way that you want it to be covered or paid for.	You can make an appeal . (This means you are asking us to reconsider.) Skip ahead to Section 5.3 of this chapter.
If you want to ask us to pay you back for medical care you have already received and paid for.	You can send us the bill. Skip ahead to Section 5.5 of this chapter.

Section 5.2 **Step-by-step: How to ask for a coverage decision**
(how to ask our plan to authorize or provide the medical care coverage you want)

Legal Terms

When a coverage decision involves your medical care, it is called an “**organization determination**.”

Step 1: You ask our plan to make a coverage decision on the medical care you are requesting. If your health requires a quick response, you should ask us to make a “**fast coverage decision**.”

Legal Terms

A “fast coverage decision” is called an “**expedited determination**.”

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

How to request coverage for the medical care you want

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this.
- For the details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are asking for a coverage decision about your medical care.*

Generally, we use the standard deadlines for giving you our decision

When we give you our decision, we will use the “standard” deadlines unless we have agreed to use the “fast” deadlines. **A standard coverage decision means we will give you an answer within 14 calendar days** after we receive your request **for a medical item or service**. If your request is for a **Medicare Part B prescription drug, we will give you an answer within 72 hours** after we receive your request.

- **However**, for a request **for a medical item or service we can take up to 14 more calendar days** if you ask for more time, or if we need information (such as medical records from out-of-network providers) that may benefit you. If we decide to take extra days to make the decision, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.)

If your health requires it, ask us to give you a “fast coverage decision”

- **A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.**
 - **However**, for a request **for a medical item or service we can take up to 14 more calendar days** if we find that some information that may benefit you is missing (such as medical records from out-of-network providers), or if you need time to get information to us for the review. If we decide to take extra days, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. (For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.) We will call you as soon as we make the decision.
- **To get a fast coverage decision, you must meet two requirements:**

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- You can get a fast coverage decision *only* if you are asking for coverage for medical care *you have not yet received*. (You cannot ask for a fast coverage decision if your request is about payment for medical care you have already received.)
- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**
- If you ask for a fast coverage decision on your own, without your doctor’s support, we will decide whether your health requires that we give you a fast coverage decision.
 - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a “fast complaint” about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. (For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.)

Step 2: We consider your request for medical care coverage and give you our answer.

Deadlines for a “fast coverage decision”

- Generally, for a fast coverage decision on a request for a medical item or service, we will give you our answer **within 72 hours**. If your request is for a Medicare Part B prescription drug, we will answer **within 24 hours**.
 - As explained above, we can take up to 14 more calendar days under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.)
 - If we do not give you our answer within 72 hours (or if there is an extended time period, by the end of that period), or 24 hours if your request is for a Part B prescription drug, you have the right to appeal. Section 5.3 below tells how to make an appeal.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is no to part or all of what you requested**, we will send you a detailed written explanation as to why we said no.

Deadlines for a “standard coverage decision”

- Generally, for a standard coverage decision on a request for a medical item or service, we will give you our answer **within 14 calendar days of receiving your request**. If your request is for a Medicare Part B prescription drug, we will give you an answer **within 72 hours** of receiving your request.
 - For a request for a medical item or service, we can take up to 14 more calendar days (“an extended time period”) under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.)
 - If we do not give you our answer within 14 calendar days (or if there is an extended time period, by the end of that period), or 72 hours if your request is for a Part B prescription drug, you have the right to appeal. Section 5.3 below tells how to make an appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 3: If we say no to your request for coverage for medical care, you decide if you want to make an appeal.

- If we say no, you have the right to ask us to reconsider – and perhaps change – this decision by making an appeal. Making an appeal means making another try to get the medical care coverage you want.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (see Section 5.3 below).

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 5.3	Step-by-step: How to make a Level 1 Appeal (how to ask for a review of a medical care coverage decision made by our plan)
--------------------	---

Legal Terms
An appeal to the plan about a medical care coverage decision is called a plan “reconsideration.”

Step 1: You contact us and make your appeal. If your health requires a quick response, you must ask for a “fast appeal.”

What to do

- **To start an appeal you, your doctor, or your representative, must contact us.** For details on how to reach us for any purpose related to your appeal, go to Chapter 2, Section 1 and look for section called, *How to contact us when you are making an appeal about your medical care.*
- **If you are asking for a standard appeal, make your standard appeal in writing by submitting a request.** You may also ask for an appeal by calling us at the phone number shown in Chapter 2, Section 1 (*How to contact us when you are making an appeal about your medical care*).
 - If you have someone appealing our decision for you other than your doctor, your appeal must include an Appointment of Representative form authorizing this person to represent you. (To get the form, call Customer Service (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. It is also available on Medicare’s website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at ucare.org/formembers.) While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.
- **If you are asking for a fast appeal, make your appeal in writing or call us** at the phone number shown in Chapter 2, Section 1 (*How to contact us when you are making an appeal about your medical care*).
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.

- **You can ask for a copy of the information regarding your medical decision and add more information to support your appeal.**
 - You have the right to ask us for a copy of the information regarding your appeal.
 - If you wish, you and your doctor may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal” (you can make a request by calling us)

Legal Terms
A “fast appeal” is also called an “expedited reconsideration.”

- If you are appealing a decision we made about coverage for care that you have not yet received, you and/or your doctor will need to decide if you need a “fast appeal.”
- The requirements and procedures for getting a “fast appeal” are the same as those for getting a “fast coverage decision.” To ask for a fast appeal, follow the instructions for asking for a fast coverage decision. (These instructions are given earlier in this section.)
- If your doctor tells us that your health requires a “fast appeal,” we will give you a fast appeal.

Step 2: We consider your appeal and we give you our answer.

- When our plan is reviewing your appeal, we take another careful look at all of the information about your request for coverage of medical care. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if we need it. We may contact you or your doctor to get more information.

Deadlines for a “fast appeal”

- When we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to do so.
 - However, if you ask for more time, or if we need to gather more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we tell you about this organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will automatically send your appeal to the Independent Review Organization for a Level 2 Appeal.

Deadlines for a “standard appeal”

- If we are using the standard deadlines, we must give you our answer on a request for a medical item or service **within 30 calendar days** after we receive your appeal if your appeal is about coverage for services you have not yet received. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need to gather more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 9 of this chapter.)
 - If we do not give you an answer by the applicable deadline above (or by the end of the extended time period if we took extra days on your request for a medical item or service), we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by Independent Review Organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug.
- **If our answer is no to part or all of what you requested**, we will automatically send your appeal to the Independent Review Organization for a Level 2 Appeal.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 3: If our plan says no to part or all of your appeal, your case will *automatically* be sent on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that your appeal is going on to the next level of the appeals process, which is Level 2.

Section 5.4 Step-by-step: How a Level 2 Appeal is done

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews our decision for your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms

The formal name for the “Independent Review Organization” is the “**Independent Review Entity.**” It is sometimes called the “**IRE.**”

Step 1: The Independent Review Organization reviews your appeal.

- The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- We will send the information about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.**
- You have a right to give the Independent Review Organization additional information to support your appeal.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.

If you had a “fast appeal” at Level 1, you will also have a “fast appeal” at Level 2

- If you had a fast appeal to our plan at Level 1, you will automatically receive a fast appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 72 hours** of when it receives your appeal.
- However, if your request is for a medical item or service and the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.** The Independent Review Organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

If you had a “standard appeal” at Level 1, you will also have a “standard appeal” at Level 2

- If you had a standard appeal to our plan at Level 1, you will automatically receive a standard appeal at Level 2. If your request is for a medical item or service, the review organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 Appeal **within 7 calendar days** of when it receives your appeal.
- However, if your request is for a medical item or service and the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The Independent Review Organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Step 2: The Independent Review Organization gives you their answer.

The Independent Review Organization will tell you its decision in writing and explain the reasons for it.

- **If the review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests or within 72 hours from the date we receive the decision from the review organization for expedited requests.
- **If the review organization says yes to part or all of a request for a Medicare Part B prescription drug**, we must authorize or provide the Part B prescription drug under dispute within **72 hours** after we receive the decision from the review organization for **standard requests** or within **24 hours** from the date we receive the decision from the review organization for **expedited requests**.
- **If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision.” It is also called “turning down your appeal.”)
 - If the Independent Review Organization “upholds the decision” you have the right to a Level 3 Appeal. However, to make another appeal at Level 3, the dollar value of the medical care coverage you are requesting must meet a certain minimum. If the dollar value of the coverage you are requesting is too low, you cannot make another appeal, which means that the decision at Level 2 is final. The written notice you get from the Independent Review Organization will tell you how to find out the dollar amount to continue the appeals process.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. The details on how to do this are in the written notice you get after your Level 2 Appeal.
- The Level 3 Appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 5.5	What if you are asking us to pay you for our share of a bill you have received for medical care?
--------------------	---

If you want to ask us for payment for medical care, start by reading Chapter 5 of this booklet: *Asking us to pay our share of a bill you have received for covered medical services*. Chapter 5 describes the situations in which you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork that asks for reimbursement, you are asking us to make a coverage decision (for more information about coverage decisions, see Section 4.1 of this chapter). To make this coverage decision, we will check to see if the medical care you paid for is a covered service (see Chapter 4: *Medical Benefits Chart (what is covered and what you pay)*). We will also check to see if you followed all the rules for using your coverage for medical care (these rules are given in Chapter 3 of this booklet: *Using the plan's coverage for your medical services*).

We will say yes or no to your request

- If the medical care you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of your medical care within 60 calendar days after we receive your request. Or, if you haven't paid for the services, we will send the payment directly to the provider. (When we send the payment, it's the same as saying *yes* to your request for a coverage decision.)
- If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why in detail. (When we turn down your request for payment, it's the same as saying *no* to your request for a coverage decision.)

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

What if you ask for payment and we say that we will not pay?

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. Go to this section for step-by-step instructions. When you are following these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we receive your appeal. (If you are asking us to pay you back for medical care you have already received and paid for yourself, you are not allowed to ask for a fast appeal.)
- If the Independent Review Organization reverses our decision to deny payment, we must send the payment you have requested to you or to the provider within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6 How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury. For more information about our coverage for your hospital care, including any limitations on this coverage, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “**discharge date**.”
- When your discharge date has been decided, your doctor or the hospital staff will let you know.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered. This section tells you how to ask.

Section 6.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights

During your covered hospital stay, you will be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

whenever they are admitted to a hospital. Someone at the hospital (for example, a caseworker or nurse) must give it to you within two days after you are admitted. If you do not get the notice, ask any hospital employee for it. If you need help, please call Customer Service (phone numbers are printed on the back cover of this booklet). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

1. Read this notice carefully and ask questions if you don't understand it. It tells you about your rights as a hospital patient, including:

- Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay, and your right to know who will pay for it.
- Where to report any concerns you have about quality of your hospital care.
- Your right to appeal your discharge decision if you think you are being discharged from the hospital too soon.

Legal Terms

The written notice from Medicare tells you how you can “**request an immediate review.**” Requesting an immediate review is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time. (Section 6.2 below tells you how you can request an immediate review.)

2. You will be asked to sign the written notice to show that you received it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice. (Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.)
- Signing the notice shows *only* that you have received the information about your rights. The notice does not give your discharge date (your doctor or hospital staff will tell you your discharge date). Signing the notice **does not mean** you are agreeing on a discharge date.

3. Keep your copy of the notice so you will have the information about making an appeal (or reporting a concern about quality of care) handy if you need it.

- If you sign the notice more than two days before the day you leave the hospital, you will get another copy before you are scheduled to be discharged.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- To look at a copy of this notice in advance, you can call Customer Service (phone numbers are printed on the back cover of this booklet) or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html.

Section 6.2 Step-by-step: How to make a Level 1 Appeal to change your hospital discharge date

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do.
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service (phone numbers are printed on the back cover of this booklet). Or call your SHIP, a government organization that provides personalized assistance (see Section 2 of this chapter).

During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

Step 1: Contact the Quality Improvement Organization for your state and ask for a “fast review” of your hospital discharge. You must act quickly.

What is the Quality Improvement Organization?

- This organization is a group of doctors and other health care professionals who are paid by the Federal government. These experts are not part of our plan. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare.

How can you contact this organization?

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**. (Your “planned discharge date” is the date that has been set for you to leave the hospital.)
 - If you meet this deadline, you are allowed to stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision on your appeal from the Quality Improvement Organization.
 - If you do *not* meet this deadline, and you decide to stay in the hospital after your planned discharge date, *you may have to pay all of the costs* for hospital care you receive after your planned discharge date.
- If you miss the deadline for contacting the Quality Improvement Organization and you still wish to appeal, you must make an appeal directly to our plan instead. For details about this other way to make your appeal, see Section 6.4.

Ask for a “fast review”:

- You must ask the Quality Improvement Organization for a “**fast review**” of your discharge. Asking for a “fast review” means you are asking for the organization to use the “fast” deadlines for an appeal instead of using the standard deadlines.

Legal Terms
A “fast review” is also called an “immediate review” or an “expedited review.”

Step 2: The Quality Improvement Organization conducts an independent review of your case.

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- By noon of the day after the reviewers informed our plan of your appeal, you will also get a written notice that gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Legal Terms

This written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample of this notice by calling Customer Service (phone numbers are printed on the back cover of this booklet) or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the review organization says *yes* to your appeal, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services. (See Chapter 4 of this booklet).

What happens if the answer is no?

- If the review organization says *no* to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says *no* to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal

- If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to “Level 2” of the appeals process.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****Section 6.3 Step-by-step: How to make a Level 2 Appeal to change your hospital discharge date**

If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

Here are the steps for Level 2 of the appeal process:

Step 1: You contact the Quality Improvement Organization again and ask for another review

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you stay in the hospital after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will decide on your appeal and tell you their decision.***If the review organization says yes:***

- **We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 Appeal and will not change it. This is called “upholding the decision.”
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If the review organization turns down your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an Administrative Law Judge or attorney adjudicator.
- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 6.4	What if you miss the deadline for making your Level 1 Appeal?
--------------------	--

You can appeal to us instead

As explained above in Section 6.2, you must act quickly to contact the Quality Improvement Organization to start your first appeal of your hospital discharge. (“Quickly” means before you leave the hospital and no later than your planned discharge date, whichever comes first.) If you miss the deadline for contacting this organization, there is another way to make your appeal.

If you use this other way of making your appeal, *the first two levels of appeal are different.*

Step-by-Step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Legal Terms
A “fast review” (or “fast appeal”) is also called an “ expedited appeal. ”

Step 1: Contact us and ask for a “fast review.”

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care.*
- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

Step 2: We do a “fast review” of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We will check to

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

see if the decision about when you should leave the hospital was fair and followed all the rules.

- In this situation, we will use the “fast” deadlines rather than the “standard” deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).

- **If we say yes to your fast appeal**, it means we have agreed with you that you still need to be in the hospital after the discharge date, and will keep providing your covered inpatient hospital services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
 - If you stayed in the hospital *after* your planned discharge date, then **you may have to pay the full cost** of hospital care you received after the planned discharge date.

Step 4: If we say *no* to your fast appeal, your case will *automatically* be sent on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your fast appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

Step-by-Step: Level 2 *Alternate* Appeal Process

During the Level 2 Appeal, an **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “ Independent Review Entity. ” It is sometimes called the “ IRE. ”

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 9 of this chapter tells how to make a complaint.)

Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal of your hospital discharge.
- **If this organization says *yes* to your appeal,** then we must reimburse you (pay you back) for our share of the costs of hospital care you have received since the date of your planned discharge. We must also continue the plan’s coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says *no* to your appeal,** it means they agree with us that your planned hospital discharge date was medically appropriate.
 - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 Appeal, you decide whether to accept their decision or go on to Level 3 and make a third appeal.
- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

SECTION 7 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 7.1	<i>This section is about three services <u>only</u>:</i> Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services
--------------------	--

This section is about the following types of care *only*:

- **Home health care services** you are getting.
- **Skilled nursing care** you are getting as a patient in a skilled nursing facility. (To learn about requirements for being considered a “skilled nursing facility,” see Chapter 10, *Definitions of important words*.)
- **Rehabilitation care** you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation. (For more information about this type of facility, see Chapter 10, *Definitions of important words*.)

When you are getting any of these types of care, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury. For more information on your covered services, including your share of the cost and any limitations to coverage that may apply, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, *we will stop paying our share of the cost for your care*.

If you think we are ending the coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Section 7.2	We will tell you in advance when your coverage will be ending
--------------------	--

1. **You receive a notice in writing.** At least two days before our plan is going to stop covering your care, you will receive a notice.
 - The written notice tells you the date when we will stop covering the care for you.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- The written notice also tells what you can do if you want to ask our plan to change this decision about when to end your care, and keep covering it for a longer period of time.

Legal Terms

In telling you what you can do, the written notice is telling how you can request a “**fast-track appeal.**” Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care. (Section 7.3 below tells how you can request a fast-track appeal.)

The written notice is called the “**Notice of Medicare Non-Coverage.**”

2. You will be asked to sign the written notice to show that you received it.

- You or someone who is acting on your behalf will be asked to sign the notice. (Section 4 tells how you can give written permission to someone else to act as your representative.)
- Signing the notice shows *only* that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan that it’s time to stop getting the care.

Section 7.3 Step-by-step: How to make a Level 1 Appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section 9 of this chapter tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service (phone numbers are printed on the back cover of this booklet). Or call your SHIP, a government organization that provides personalized assistance (see Section 2 of this chapter).

During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal and decides whether to change the decision made by our plan.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 1: Make your Level 1 Appeal: contact the Quality Improvement Organization for your state and ask for a review. You must act quickly.***What is the Quality Improvement Organization?***

- This organization is a group of doctors and other health care experts who are paid by the Federal government. These experts are not part of our plan. They check on the quality of care received by people with Medicare and review plan decisions about when it's time to stop covering certain kinds of medical care.

How can you contact this organization?

- The written notice you received tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

What should you ask for?

- Ask this organization for a “fast-track appeal” (to do an independent review) of whether it is medically appropriate for us to end coverage for your medical services.

Your deadline for contacting this organization.

- You must contact the Quality Improvement Organization to start your appeal by noon of the day before the effective date on the Notice of Medicare Non-Coverage.
- If you miss the deadline for contacting the Quality Improvement Organization and you still wish to file an appeal, you must make an appeal directly to us instead. For details about this other way to make your appeal, see Section 7.5.

Step 2: The Quality Improvement Organization conducts an independent review of your case.***What happens during this review?***

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- By the end of the day the reviewers inform us of your appeal, and you will also get a written notice from us that explain in detail our reasons for ending our coverage for your services.

Legal Terms

This notice of explanation is called the “**Detailed Explanation of Non-Coverage.**”

Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.

What happens if the reviewers say yes to your appeal?

- If the reviewers say *yes* to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered services (see Chapter 4 of this booklet).

What happens if the reviewers say no to your appeal?

- If the reviewers say *no* to your appeal, then **your coverage will end on the date we have told you.** We will stop paying our share of the costs of this care on the date listed on the notice.
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal.

- This first appeal you make is “Level 1” of the appeals process. If reviewers say *no* to your Level 1 Appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make another appeal.
- Making another appeal means you are going on to “Level 2” of the appeals process.

Section 7.4 Step-by-step: How to make a Level 2 Appeal to have our plan cover your care for a longer time

If the Quality Improvement Organization has turned down your appeal and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

turns down your Level 2 Appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Here are the steps for Level 2 of the appeal process:

Step 1: You contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 days** after the day when the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.

What happens if the review organization says yes to your appeal?

- **We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision we made to your Level 1 Appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers turn down your Level 2 Appeal, you can choose whether to accept that decision or to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an Administrative Law Judge or attorney adjudicator.
- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 7.5 What if you miss the deadline for making your Level 1 Appeal?

You can appeal to us instead

As explained above in Section 7.3, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, *the first two levels of appeal are different.*

Step-by-Step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Here are the steps for a Level 1 Alternate Appeal:

Legal Terms

A “fast review” (or “fast appeal”) is also called an “**expedited appeal.**”

Step 1: Contact us and ask for a “fast review.”

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care.*
- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

Step 2: We do a “fast review” of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan’s coverage for services you were receiving.
- We will use the “fast” deadlines rather than the “standard” deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).

- **If we say yes to your fast appeal,** it means we have agreed with you that you need services longer, and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)

- **If we say no to your fast appeal**, then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end, then **you will have to pay the full cost** of this care yourself.

Step 4: If we say *no* to your fast appeal, your case will *automatically* go on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your fast appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

Step-by-Step: Level 2 Alternate Appeal Process

During the Level 2 Appeal, an **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “ Independent Review Entity. ” It is sometimes called the “ IRE. ”

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 9 of this chapter tells how to make a complaint.)

Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.

- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.
- **If this organization says yes to your appeal**, then we must reimburse you (pay you back) for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says no to your appeal**, it means they agree with the decision our plan made to your first appeal and will not change it.
 - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers say no to your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an Administrative Law Judge or attorney adjudicator.
- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 8 Taking your appeal to Level 3 and beyond

Section 8.1 Appeal Levels 3, 4 and 5 for Medical Service Requests
--

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, the written response you receive to your Level 2 Appeal will explain who to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Level 3 Appeal A judge (called an **Administrative Law Judge**) or an **attorney adjudicator who works for the Federal government** will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process *may* or *may not* be over** - We will decide whether to appeal this decision to Level 4. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 3 decision that is favorable to you.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we will send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. If the Administrative Law Judge or attorney adjudicator says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 Appeal The Medicare **Appeals Council (Council)** will review your appeal and give you an answer. The Council is part of the Federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 Appeal decision, the appeals process *may* or *may not* be over** - We will decide whether to appeal this decision to Level 5. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 4 decision that is favorable to you if the value of the item or medical service meets the required dollar value.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Council's decision.
 - If we decide to appeal the decision, we will let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Council says no to your appeal, the notice

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal A judge at the **Federal District Court** will review your appeal.

- This is the last step of the appeals process.

MAKING COMPLAINTS

SECTION 9 How to make a complaint about quality of care, waiting times, customer service, or other concerns

If your problem is about decisions related to benefits, coverage, or payment, then this section is *not for you*. Instead, you need to use the process for coverage decisions and appeals. Go to Section 4 of this chapter.

Section 9.1 What kinds of problems are handled by the complaint process?

This section explains how to use the process for making complaints. The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. Here are examples of the kinds of problems handled by the complaint process.

If you have any of these kinds of problems, you can “make a complaint”

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none"> • Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	<ul style="list-style-type: none"> • Do you believe that someone did not respect your right to privacy or shared information about you that you feel should be confidential?
Disrespect, poor customer service, or other negative behaviors	<ul style="list-style-type: none"> • Has someone been rude or disrespectful to you? • Are you unhappy with how our Customer Service has treated you? • Do you feel you are being encouraged to leave the plan?

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Waiting times	<ul style="list-style-type: none"> • Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Service or other staff at the plan? <ul style="list-style-type: none"> ○ Examples include waiting too long on the phone, in the waiting room, when getting a prescription, or in the exam room.
Cleanliness	<ul style="list-style-type: none"> • Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	<ul style="list-style-type: none"> • Do you believe we have not given you a notice that we are required to give? • Do you think written information we have given you is hard to understand?
<p>Timeliness (These types of complaints are all related to the <i>timeliness</i> of our actions related to coverage decisions and appeals)</p>	<p>The process of asking for a coverage decision and making appeals is explained in sections 4-8 of this chapter. If you are asking for a coverage decision or making an appeal, you use that process, not the complaint process.</p> <p>However, if you have already asked us for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"> • If you have asked us to give you a “fast coverage decision” or a “fast appeal,” and we have said we will not, you can make a complaint. • If you believe we are not meeting the deadlines for giving you a coverage decision or an answer to an appeal you have made, you can make a complaint. • When a coverage decision we made is reviewed and we are told that we must cover or reimburse you for certain medical services, there are deadlines that apply. If you think we are not meeting these deadlines, you can make a complaint. • When we do not give you a decision on time, we are required to forward your case to the Independent Review Organization. If we do not do that within the required deadline, you can make a complaint.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 9.2 The formal name for “making a complaint” is “filing a grievance”

Legal Terms

- What this section calls a “**complaint**” is also called a “**grievance.**”
- Another term for “**making a complaint**” is “**filing a grievance.**”
- Another way to say “**using the process for complaints**” is “**using the process for filing a grievance.**”

Section 9.3 Step-by-step: Making a complaint

Step 1: Contact us promptly – either by phone or in writing.

- **Usually, calling Customer Service is the first step.** If there is anything else you need to do, Customer Service will let you know. Call 612-676-3600 or 1-877-523-1515, 8 am – 8 pm, seven days a week. TTY users call 612-676-6810 or 1-800-688-2534.
- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
- Our complaint procedure includes both oral and written complaint processes as described below.

Oral complaint

- If we are not able to resolve your oral complaint right away over the phone, we will look into your complaint and give you a response as quickly as your situation requires based on your health status, but no later than 30 calendar days from the date you called us.
- We will call and tell you what we can do about your complaint or tell you our decision. If you request a written response to your oral complaint, we will respond in writing to you.
- We may extend the timeframe for resolving your oral complaint by an additional 14 calendar days if you request the extension or if we justify a need for additional information and the delay is in your best interest. If we extend the deadline, we must immediately notify you in writing of the reason(s) for the delay.
- If we cannot resolve your oral complaint over the phone, or if you do not agree or are dissatisfied with our response, we have a formal procedure where you can file a written grievance.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Written grievance

- You can **write** us about your complaint. Mail your written complaint letter to:

UCare
Appeals and Grievances
PO Box 52
Minneapolis, MN 55440-0052

Or **e-mail** us at cag@ucare.org

If you prefer to **deliver** your written complaint to us, our street address is:

500 Stinson Boulevard NE
Minneapolis, MN 55413

You can also **fax** your written complaint to us at 612-884-2021 or 1-866-283-8015 toll free.

- We can help you put your complaint in writing. If you need help, call Customer Service.
- We will notify you within ten (10) calendar days that we have received your written complaint.
- Within 30 days we will send you a letter about our findings or decision.
- We may extend the time frame for resolving your written complaint by an additional 14 calendar days if you request the extension or if we justify a need for additional information and the delay is in your best interest. If we extend the deadline, we must immediately notify you in writing of the reason(s) for the delay.

If your grievance is about our denial of an expedited reconsideration, organization determination, or coverage determination, we'll give you a decision within 24 hours.

- **Whether you call or write, you should contact Customer Service right away.** The complaint must be made within 60 calendar days after you had the problem you want to complain about.
- **If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast complaint.”** If you have a “fast complaint,” it means we will give you **an answer within 24 hours.**

Legal Terms
What this section calls a “fast complaint” is also called an “expedited grievance.”

Chapter 7. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: We look into your complaint and give you our answer.

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will let you know. Our response will include our reasons for this answer. We must respond whether we agree with the complaint or not.

Section 9.4	You can also make complaints about quality of care to the Quality Improvement Organization
--------------------	---

You can make your complaint about the quality of care you received by using the step-by-step process outlined above.

When your complaint is about *quality of care*, you also have two extra options:

- **You can make your complaint to the Quality Improvement Organization.** If you prefer, you can make your complaint about the quality of care you received directly to this organization (*without* making the complaint to us).
 - The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.
 - To find the name, address, and phone number of the Quality Improvement Organization for your state, look in Chapter 2, Section 4, of this booklet. If you make a complaint to this organization, we will work with them to resolve your complaint.
- **Or, you can make your complaint to both at the same time.** If you wish, you can make your complaint about quality of care to us and also to the Quality Improvement Organization.

Section 9.5	You can also tell Medicare about your complaint
--------------------	--

You can submit a complaint about UCare Value directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

**Chapter 7. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

If you have any other feedback or concerns, or if you feel the plan is not addressing your issue, please call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

Section 4.1	Until your membership ends, you are still a member of our plan	182
SECTION 5	UCare Value must end your membership in the plan in certain situations.....	182
Section 5.1	When must we end your membership in the plan?	182
Section 5.2	We <u>cannot</u> ask you to leave our plan for any reason related to your health	183
Section 5.3	You have the right to make a complaint if we end your membership in our plan.....	183

SECTION 1 Introduction

Section 1.1	This chapter focuses on ending your membership in our plan
--------------------	---

Ending your membership in UCare Value may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave.
 - There are only certain times during the year, or certain situations, when you may voluntarily end your membership in the plan. Section 2 tells you *when* you can end your membership in the plan.
 - The process for voluntarily ending your membership varies depending on what type of new coverage you are choosing. Section 3 tells you *how* to end your membership in each situation.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, you must continue to get your medical care through our plan until your membership ends.

SECTION 2 When can you end your membership in our plan?

You may end your membership in our plan only during certain times of the year, known as enrollment periods. All members have the opportunity to leave the plan during the Annual Enrollment Period and during the Medicare Advantage Open Enrollment Period. In certain situations, you may also be eligible to leave the plan at other times of the year.

Section 2.1	You can end your membership during the Annual Enrollment Period
--------------------	--

You can end your membership during the **Annual Enrollment Period** (also known as the “Annual Open Enrollment Period”). This is the time when you should review your health and drug coverage and make a decision about your coverage for the upcoming year.

- **When is the Annual Enrollment Period?** This happens from October 15 to December 7.
- **What type of plan can you switch to during the Annual Enrollment Period?** You can choose to keep your current coverage or make changes to your coverage for the upcoming year. If you decide to change to a new plan, you can choose any of the following types of plans:

Chapter 8. Ending your membership in the plan

- Another Medicare health plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)
- Original Medicare *with* a separate Medicare prescription drug plan.
- – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
- **When will your membership end?** Your membership will end when your new plan's coverage begins on January 1.

Section 2.2	You can end your membership during the Medicare Advantage Open Enrollment Period
--------------------	---

You have the opportunity to make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period**.

- **When is the annual Medicare Advantage Open Enrollment Period?** This happens every year from January 1 to March 31.
- **What type of plan can you switch to during the annual Medicare Advantage Open Enrollment Period?** During this time, you can:
 - Switch to another Medicare Advantage Plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)
 - Disenroll from our plan and obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time.
- **When will your membership end?** Your membership will end on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your membership in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.

Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
--------------------	--

In certain situations, members of UCare Value may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

- **Who is eligible for a Special Enrollment Period?** If any of the following situations apply to you, you may be eligible to end your membership during a Special Enrollment Period. These are just examples, for the full list you can contact the plan, call Medicare, or visit the Medicare website (www.medicare.gov):
 - Usually, when you have moved.
 - If you have Medical Assistance (Medicaid).

Chapter 8. Ending your membership in the plan

- If we violate our contract with you.
- If you are getting care in an institution, such as a nursing home or long-term care (LTC) hospital.
- **When are Special Enrollment Periods?** The enrollment periods vary depending on your situation.
- **What can you do?** To find out if you are eligible for a Special Enrollment Period, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048. If you are eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and prescription drug coverage. This means you can choose any of the following types of plans:
 - Another Medicare health plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)
 - Original Medicare *with* a separate Medicare prescription drug plan.
 - – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
- **When will your membership end?** Your membership will usually end on the first day of the month after your request to change your plan is received.

Section 2.4 Where can you get more information about when you can end your membership?

If you have any questions or would like more information on when you can end your membership:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can find the information in the *Medicare & You 2021* Handbook.
 - Everyone with Medicare receives a copy of *Medicare & You* each fall. Those new to Medicare receive it within a month after first signing up.
 - You can also download a copy from the Medicare website (www.medicare.gov). Or, you can order a printed copy by calling Medicare at the number below.
- You can contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 3 How do you end your membership in our plan?

Section 3.1 Usually, you end your membership by enrolling in another plan

Usually, to end your membership in our plan, you simply enroll in another Medicare plan during one of the enrollment periods (see Section 2 in this chapter for information about the enrollment periods). However, if you want to switch from our plan to Original Medicare *without* a Medicare prescription drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can make a request in writing to us. Contact Customer Service if you need more information on how to do this (phone numbers are printed on the back cover of this booklet).
- *--or--* You can contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

The table below explains how you should end your membership in our plan.

If you would like to switch from our plan to:	This is what you should do:
<ul style="list-style-type: none"> • Another Medicare health plan. 	<ul style="list-style-type: none"> • Enroll in the new Medicare health plan. You will automatically be disenrolled from UCare Value when your new plan’s coverage begins.
<ul style="list-style-type: none"> • Original Medicare <i>with</i> a separate Medicare prescription drug plan. 	<ul style="list-style-type: none"> • Enroll in the new Medicare prescription drug plan. You will automatically be disenrolled from UCare Value when your new plan’s coverage begins.
<ul style="list-style-type: none"> • Original Medicare <i>without</i> a separate Medicare prescription drug plan. 	<ul style="list-style-type: none"> • Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are printed on the back cover of this booklet). • You can also contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048. • You will be disenrolled from UCare Value when your coverage in Original Medicare begins.

SECTION 4 Until your membership ends, you must keep getting your medical services through our plan

Section 4.1 Until your membership ends, you are still a member of our plan
--

If you leave UCare Value, it may take time before your membership ends and your new Medicare coverage goes into effect. (See Section 2 for information on when your new coverage begins.) During this time, you must continue to get your medical care through our plan.

- **If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

SECTION 5 UCare Value must end your membership in the plan in certain situations

Section 5.1 When must we end your membership in the plan?

UCare Value must end your membership in the plan if any of the following happen:

- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - If you move or take a long trip, you need to call Customer Service to find out if the place you are moving or traveling to is in our plan's area. (Phone numbers for Customer Service are printed on the back cover of this booklet.)
- If you become incarcerated (go to prison).
- If you are not a United States citizen or lawfully present in the United States.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

- If you do not pay the plan premiums for 90 days.
 - We must notify you in writing that you have 90 days to pay the plan premium before we end your membership.

Where can you get more information?

If you have questions or would like more information on when we can end your membership:

- You can call **Customer Service** for more information (phone numbers are printed on the back cover of this booklet).

Section 5.2	We <u>cannot</u> ask you to leave our plan for any reason related to your health
--------------------	---

UCare Value is not allowed to ask you to leave our plan for any reason related to your health.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

Section 5.3	You have the right to make a complaint if we end your membership in our plan
--------------------	---

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership. You can look in Chapter 7, Section 9 for information about how to make a complaint.

CHAPTER 9

Legal notices

Chapter 9. Legal notices

SECTION 1	Notice about governing law.....	186
SECTION 2	Notice about non-discrimination.....	186
SECTION 3	Notice about Medicare Secondary Payer subrogation rights.....	186
SECTION 4	Notice about the member’s term of coverage.....	186
SECTION 5	Notice about amendments.....	187
SECTION 6	Notice about assignment of rights.....	187
SECTION 7	Notice about conformity of statutes	187
SECTION 8	Notice about clerical error	187
SECTION 9	Appointed representative	187
SECTION 10	Provider opt-out of Medicare.....	188
SECTION 11	Third party liability	188

SECTION 1 Notice about governing law

Many laws apply to this *Evidence of Coverage* and some additional provisions may apply because they are required by law. This may affect your rights and responsibilities even if the laws are not included or explained in this document. The principal law that applies to this document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in.

SECTION 2 Notice about non-discrimination

Our plan must obey laws that protect you from discrimination or unfair treatment. **We don't discriminate** based on race, ethnicity, national origin, color, religion, sex, gender, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights.

If you have a disability and need help with access to care, please call us at Customer Service (phone numbers are printed on the back cover of this booklet). If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, UCare Value, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws

SECTION 4 Notice about the member's term of coverage

Your coverage under this *Evidence of Coverage* will begin on the CMS-confirmed effective date and will end on the date of disenrollment, or on December 31. Services must be received

Chapter 9. Legal notices

(expenses must be incurred) during the term of your coverage. In no event is there coverage under the plan before your effective date or after your disenrollment date with one exception. If on December 31 you are an inpatient in a hospital, a rehabilitation hospital, or a distinct part of a hospital used as an inpatient rehabilitation unit, your coverage for Medicare Part A inpatient expenses will continue until you are discharged from that place of confinement.

SECTION 5 Notice about amendments

From time to time, this *Evidence of Coverage* may be amended. If that happens, either a whole new *Evidence of Coverage* or relevant amendment pages will be sent to you. Any change or any rider added to this *Evidence of Coverage* is effective on its own specific effective date.

No change will be made to this *Evidence of Coverage* unless made by an amendment or a rider that has received prior approval from CMS. No one has the authority to make any oral changes or amendments to this *Evidence of Coverage*.

SECTION 6 Notice about assignment of rights

No rights under this *Evidence of Coverage* are assignable by you or your representative. Any attempted assignment will be void. However, you may assign payment for covered services to your physician or other provider.

SECTION 7 Notice about conformity of statutes

Any provision of this *Evidence of Coverage* that is in conflict with the requirements of Federal statutes and regulations, or the applicable statutes and regulations of the jurisdiction in which it is delivered, to the extent not preempted by Federal law, is hereby amended to conform to the requirements of such statutes and regulations. If during the term of this *Evidence of Coverage* any Federal or state laws or regulations are amended, this *Evidence of Coverage* is hereby amended to conform to the minimum requirements of such changes, as of their legislative effective dates.

SECTION 8 Notice about clerical error

A clerical error will neither deprive you of coverage nor create a right to benefits not covered under this *Evidence of Coverage*.

SECTION 9 Appointed representative

You can name (appoint) someone to serve as your personal representative. You can name a relative, friend, advocate, doctor, or someone else to act for you. Some other persons may already be authorized under state law to act for you. If you currently have a Power of Attorney, you will need to send a copy of the papers to us so that this information will be saved in your file. If you want someone to act for you, then you and the person you want to act for you must sign and date a statement that gives this person legal permission to act as your representative.

Chapter 9. Legal notices

This statement must be sent to us at the address shown in Chapter 2. You can call the Customer Service number in Chapter 2 to learn how to name your representative and to receive the Statement of Representative form. **Please note** that we cannot discuss member-specific information with someone other than the member or member's representative unless otherwise allowed by law.

SECTION 10 Provider opt-out of Medicare

A physician or other provider can choose to opt-out of the Medicare program by providing most services that would otherwise be covered by Medicare to any Medicare beneficiary through a private contract. Services provided by such physicians and providers will not be covered under this plan nor under Original Medicare. Emergency care and urgently needed care are exceptions to this rule. You are responsible for asking out-of-network physicians or providers if they have opted out of the Medicare program.

SECTION 11 Third party liability

If you suffer an injury or illness for which a third party is liable or responsible due to a negligent or intentional act or omission causing such illness or injury to you, you must promptly notify us of the illness or injury. A "third party" is any person other than you or UCare, and includes any insurer providing coverage available to you, including but not limited to: liability, uninsured motorist, underinsured motorist, personal umbrella, workers' compensation and all other first party types of coverage. We will send you a statement of the amounts we paid for services provided in connection with the injury or illness. If you recover any sums from any third party in connection with the illness or injury, we shall be reimbursed out of such recovery for the payments we made on your behalf, subject to the limitations in the following paragraphs:

1. **Our payments are less than the judgment or settlement amount.** If our payments are less than the total recovery amount from any third party (the "third party recovery amount"), then our reimbursement will be calculated as follows:

Step One: Determine the ratio of the procurement costs to the third party recovery amount. "Procurement costs" means attorney's fees and other costs and expenses incurred in obtaining a settlement or judgment in connection with the third party recovery amount.

Step Two: Apply the ratio calculated in Step One to our payments. The result is our share of the procurement costs.

Step Three: Subtract our share of the procurement costs from our payments. The remainder is our reimbursement amount.

2. **Our payments equal or exceed the judgment or settlement amount.** If our payments equal or exceed the third party recovery amount, our reimbursement amount is the total third party recovery amount minus the total procurement costs.

Chapter 9. Legal notices

3. **We incur procurement costs because of opposition to its recovery.** If we must bring suit against the party that received the third party recovery amount because that party opposes our reimbursement, our reimbursement amount is the lower of the following:
 - a. Our payments made on your behalf for services; or
 - b. The third party recovery amount, minus the party's total procurement cost.

Subject to the limitations stated above, you agree to grant us an assignment of, and a claim and a lien against, any amounts recovered through settlement, judgment, or verdict. You may be required by us to execute documents and to provide information necessary to establish the assignment, claim, or lien to ascertain our right to reimbursement.

CHAPTER 10

Definitions of important words

Chapter 10. Definitions of important words

Allowed Amount – For network providers, the amount paid by us for services and supplies following our developed fee schedule. For out-of-network providers, the amount paid by UCare for services and supplies is the lesser of the provider’s billed amount or the Medicare-allowed amount.

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period – A set time each fall when members can change their health or drug plans or switch to Original Medicare. The Annual Enrollment Period is from October 15 until December 7.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or payment for services you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving. For example, you may ask for an appeal if we don’t pay for an item or service you think you should be able to receive. Chapter 7 explains appeals, including the process involved in making an appeal.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than the plan’s allowed cost sharing amount. As a member of UCare Value, you only have to pay our plan’s cost sharing amounts when you get services covered by our plan. We do not allow providers to “balance bill” or otherwise charge you more than the amount of cost sharing your plan says you must pay.

Benefit Period – The way that Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven’t received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods. For both our plan and Original Medicare, a benefit period is used to determine coverage for inpatient stays in skilled nursing facilities. For inpatient hospital care, the cost sharing described in the Medical Benefits Chart in Chapter 4 applies each time you are admitted to the hospital.

Calendar Year – A twelve (12) month period that begins January 1 and ends twelve (12) consecutive months later on December 31.

Centers for Medicare & Medicaid Services (CMS) – The Federal agency that administers Medicare. Chapter 2 explains how to contact CMS.

Coinsurance – An amount you may be required to pay as your share of the cost for services. Coinsurance is usually a percentage (for example, 20%).

Complaint – The formal name for “making a complaint” is “filing a grievance.” The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. See also “Grievance,” in this list of definitions.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, and provides a variety of services including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or “copay”) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor’s visit, hospital outpatient visit, or a prescription. A copayment is a set amount, rather than a percentage. For example, you might pay \$10 or \$20 for a doctor’s visit or prescription.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services are received. (This is in addition to the plan’s monthly premium.) Cost sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services are covered; (2) any fixed “copayment” amount that a plan requires when a specific service is received; or (3) any “coinsurance” amount, a percentage of the total amount paid for a service, that a plan requires when a specific service is received.

Coverage Determination – A decision about whether a medical service is covered by the plan and the amount, if any, you are required to pay for the service. Coverage determinations are called “coverage decisions” in this booklet. Chapter 7 explains how to ask us for a coverage decision.

Covered Dental Services – Covered services for dental care and supplies that are provided by or under the direction of a dentist which are not limited or excluded by the terms of the *Evidence of Coverage*.

Covered Services – The general term we use to mean all of the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care is personal care that can be provided by people who don’t have professional skills or training, such as help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related

care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Customer Service – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Customer Service.

Deductible – The amount you must pay for health care before our plan begins to pay.

Dentist – A doctor of dental surgery (D.D.S.) or doctor of medical dentistry (D.M.D.) who is licensed and qualified to provide dental surgery, treatment, or care under the law of the jurisdiction in which treatment is received.

Disenroll or Disenrollment – The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) rendered by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Endodontic Services – Dental services performed to treat disease of the pulp and root of a tooth.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Grievance – A type of complaint you make about us, including a complaint concerning the quality of your care. This type of complaint does not involve coverage or payment disputes.

Home Health Aide – A home health aide provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet,

dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Hospice – A member who has 6 months or less to live has the right to elect hospice. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer. The hospice will provide special treatment for your state.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. For example, if you’re eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins three months before the month you turn 65, includes the month you turn 65, and ends three months after the month you turn 65.

Lifetime Reserve Days - In Original Medicare, these are additional days that Medicare will pay for when you’re in a hospital for more than 90 days. You have a total of 60 reserve days that can be used during your lifetime. For each lifetime reserve day, Medicare pays all covered costs except for a daily coinsurance.

Low Income Subsidy (LIS) – See “Extra Help.”

Major Restorative Services – The repair of lost tooth structure with a custom-made cast restoration that covers or replaces a major part of or the whole crown of a tooth and is cemented into place.

Maximum Charge (Limiting Charge) – Non-participating providers can charge more than the Medicare-approved amount, but there is a limit called the “limiting charge” the provider can only charge up to 115% of the Medicare fee schedule amount for those providers who accept assignment. The limiting charge only applies to certain services and doesn’t apply to supplies or equipment.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B services. Amounts you pay for your plan premiums and Medicare Part A and Part B premiums do not count toward the maximum out-of-pocket amount. See Chapter 4, Section 1.2 for information about your maximum out-of-pocket amount.

Medicaid (or Medical Assistance) – A joint Federal and state program that helps with medical costs for some people with low incomes and limited resources. Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid. See Chapter 2, Section 6 for information about how to contact Medicaid in your state.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare, a Medicare Cost Plan, or a Medicare Advantage Plan.

Medicare Advantage Open Enrollment Period – A set time each year when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan, or obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is from January 1 until March 31, and is also available for a 3-month period after an individual is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an HMO, PPO, a Private Fee-for-Service (PFFS) plan, or a Medicare Medical Savings Account (MSA) plan. When you are enrolled in a Medicare Advantage Plan, Medicare services are covered through the plan, and are not paid for under Original Medicare. In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. UCare Value does not offer Medicare prescription drug coverage. Everyone who has Medicare Part A and Part B is eligible to join any Medicare Advantage health plan that is offered in their area.

Medicare Cost Plan – A Medicare Cost Plan is a plan operated by a Health Maintenance Organization (HMO) or Competitive Medical Plan (CMP) in accordance with a cost-reimbursed contract under section 1876(h) of the Act.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and B.

Medicare Fee Schedule – A listing of fees used by Original Medicare to pay providers or other suppliers. CMS develops fee schedules for providers, ambulance services, clinical laboratory services, and durable medical equipment, prosthetics, orthotics, and supplies.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

“Medigap” (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or “Plan Member”) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network Dental Provider – Dentists and other dental providers contracted by the administrator to provide covered dental services to members. See Chapter 4, Section 2.2 for more information about network dental providers.

Network Provider – “Provider” is the general term we use for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. We call them “**network providers**” when they have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Our plan pays network providers based on the agreements it has with the providers or if the providers agree to provide you with plan-covered services. Network providers may also be referred to as “plan providers.”

Optional Supplemental Benefits – Non-Medicare-covered benefits that can be purchased for an additional premium and are not included in your package of benefits. If you choose to have optional supplemental benefits, you may have to pay an additional premium. You must voluntarily elect Optional Supplemental Benefits in order to get them.

Organization Determination – The Medicare Advantage plan has made an organization determination when it makes a decision about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called “coverage decisions” in this booklet. Chapter 7 explains how to ask us for a coverage decision.

Original Medicare (“Traditional Medicare” or “Fee-for-service” Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility with which we have not arranged to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan or are not

under contract to deliver covered services to you. Using out-of-network providers or facilities is explained in this booklet in Chapter 3.

Out-of-Pocket Costs – See the definition for “cost sharing” above. A member’s cost sharing requirement to pay for a portion of services received is also referred to as the member’s “out-of-pocket” cost requirement.

Part C – see “**Medicare Advantage (MA) Plan.**”

Part D – The voluntary Medicare Prescription Drug Benefit Program. (For ease of reference, we will refer to the prescription drug benefit program as Part D.)

Periodontal Services – Dental services performed to treat tissues surrounding and supporting the teeth.

Point-of-Service Benefit – Coverage for certain covered services provided by out-of-network physicians or providers, within the United States and its territories, that may be a higher cost sharing level (out-of-network level). See Chapter 4, Section 2.3 for more information.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Primary Care Provider (PCP) – Your primary care provider is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to keep you healthy. He or she also may talk with other doctors and health care providers about your care and refer you to them. In many Medicare health plans, you must see your primary care provider before you see any other health care provider. See Chapter 3, Section 2.1 for information about Primary Care Providers.

Prior Authorization – Approval in advance to get services. Some in-network medical services are covered only if your doctor or other network provider gets “prior authorization” from our plan. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4.

Prosthetic Services – Dental services performed to construct, replace, or repair removable prosthetic complete dentures or partial dentures, or fixed denture retainers (bridges).

Prosthetics and Orthotics – These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. See Chapter 2, Section 4 for information about how to contact the QIO for your state.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Service Area – A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. The plan may disenroll you if you permanently move out of the plan's service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently Needed Services – Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.
