

Outline Of Coverage

UCare Medicare Supplement Basic

Rates effective 10/1/2020

UCare is required to disclose to you the following information. The Commissioner of Commerce of the state of Minnesota has established two categories of Medicare Supplement insurance and minimum standards for each, with the Extended Basic Medicare Supplement being the most comprehensive and the Basic Medicare Supplement being the least comprehensive.

Premium information and renewability

UCare can only raise your premium if we raise the premium for all policies like yours in this state. Any rate increase for the state will be approved by the Minnesota Department of Commerce.

Notice: This disclosure is required by Minnesota law. This policy is expected to return on average 73.2% of your premium dollar for health care. The lowest percentage permitted by state law for this policy is 65%.

Disclosures

Use this outline to compare benefits and premiums among policies.

Read your policy very carefully

This is only an outline describing your policy's most important features. This policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company. Additionally, it does not give the details of Medicare coverage. Contact your local Social Security office or consult the Medicare handbook for more details.

Right to return policy

If you find that you are not satisfied with your policy for any reason, you may return it to: UCare Customer Support P.O. Box 211522 Eagan, MN 55121. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments within ten days.

Policy replacement

If you are replacing another health insurance policy or certificate, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs. Neither UCare nor its agents nor its products are connected with the federal Medicare program or the United States government.

Complete answers are very important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. **If you are eligible for guaranteed issue, (including the six-month open-enrollment window following your Part B effective date) you will not need to provide health history information.** Review the application carefully before you sign it and be certain that all information has been properly recorded.

Renewability

This policy is guaranteed renewable for life, subject to timely payment of premium within the grace period. UCare shall neither cancel nor non-renew your policy for any reason other than nonpayment of premium or material misrepresentation. This policy cannot be canceled or non-renewed on the grounds of deterioration of health, or discriminate in the pricing of such coverage because of health status, claims experience, receipt of health care, medical condition, or age, or impose an exclusion of benefits based upon genetic information or a pre-existing condition.

Exceptions, reductions, and limitations

THIS POLICY DOES NOT COVER ALL MEDICAL EXPENSES BEYOND THOSE COVERED BY MEDICARE. THIS POLICY DOES NOT COVER ALL SKILLED NURSING HOME CARE EXPENSES AND DOES NOT COVER CUSTODIAL OR RESIDENTIAL NURSING CARE. READ YOUR POLICY CAREFULLY TO DETERMINE WHICH NURSING HOME FACILITIES AND EXPENSES ARE COVERED BY YOUR POLICY.
