UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) ANNUAL NOTICE OF CHANGES for 2023

- You can call Customer Service at the number at the bottom of this page or contact your Care Coordinator to ask for a list of covered drugs that treat the same condition.
- This list can help your provider find a covered drug that might work for you.
- Ask the plan to cover a temporary supply of the drug.
 - In some situations, we will cover a **temporary supply** of the drug during the first 90 days of the calendar year.
 - This temporary supply will be for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to Chapter 5 of the *Member Handbook*.)
 - When you get a temporary supply of a drug, you should talk with your health care provider to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you fill your prescription within the first 90 days of the calendar year and discover it is no longer on the Drug List, in most cases you can obtain a transition fill. After the transition fill, you will receive a letter about your options including speaking with your physician about changing drugs or how to request an exception.

Utilization management exceptions are assigned for a given timeframe at the time of authorization. You should contact Customer Service to learn what you or your provider would need to do to get coverage for the drug once the exception has expired.

There are two payment stages for your Medicare Part D prescription drug coverage under UCare's MSHO. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the two stages:

Stage 1 Initial Coverage Stage	Stage 2 Catastrophic Coverage Stage
<p>During this stage, the plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2023.</p> <p>You begin this stage when you have paid a certain amount of out-of-pocket costs.</p>

? **If you have questions**, please call UCare's Minnesota Senior Health Options (MSHO) Customer Service at 612-676-6868 or 1-866-280-7202 toll free, TTY 612-676-6810 or 1-800-688-2534 toll free, 8 am – 8 pm, seven days a week. The call is free. **For more information**, visit ucare.org.

UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) ANNUAL NOTICE OF CHANGES for 2023

The Initial Coverage Stage ends when your total out-of-pocket costs for prescription drugs reaches \$7,400. At that point, the Catastrophic Coverage Stage begins. The plan covers all of your drug costs from then until the end of the year. Refer to Chapter 6 of the *Member Handbook* for more information on how much you will pay for prescription drugs.

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

D3. Stage 1: "Initial Coverage Stage"

During the Initial Coverage Stage, the plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier level of the drug. You will pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you will pay the lower price.

We moved some of the drugs on the Drug List to a lower or higher drug cost-sharing tier level. If your drugs move from one tier level to another, this could affect your copay. To find out if your drugs will be in a different cost-sharing tier level, look them up in the Drug List.

Our plan's Drug List will have only one tier of drugs in 2023. However, what you pay for a drug on the Drug List depends on whether the drug is a generic or brand drug. These amounts apply only during the time when you are in the Initial Coverage Stage.

	2022 (this year)	2023 (next year)
<p>Drugs in Tier 1 – Generic (Covered generic drugs)</p> <p>Cost for a one-month supply of a drug in Tier 1 - Generic Drugs that is filled at a network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0/\$1.35/\$3.95 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0/\$1.45/\$4.15 per prescription.</p>
<p>Drugs in Tier 1 – Brand (Covered brand drugs)</p> <p>Cost for a one-month supply of a drug in Tier 1 - Brand Drugs that is filled at network pharmacy</p>	<p>Your copay for a one-month (30-day) supply is \$0/\$4.00/\$9.85 per prescription.</p>	<p>Your copay for a one-month (30-day) supply is \$0/\$4.30/\$10.35 per prescription.</p>

E. How to choose a plan

E1. How to stay in our plan

We hope to keep you as a member next year.

You do not have to do anything to stay in our health plan. If you want to stay in our plan, you will automatically stay enrolled.

E2. How to change plans

Most people with Medicare can end their membership during certain times of the year. Because you have Medicaid, you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in UCare's MSHO will end on December 31 and your membership in the new plan will start on January 1.
- The **Medicare Advantage Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan will start the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, such as when:

- You have moved out of our service area,
- Your eligibility for Medicaid or Extra Help has changed, or
- You recently moved into, currently are getting care in or just moved out of a nursing home or a long-term care hospital.

Eligibility for enrollment periods can vary. Contact UCare's MSHO Customer Service at the number at the bottom of this page if you are unsure which enrollment periods you may use.

If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) Customer Service at 612-676-6868 or 1-866-280-7202 toll free, TTY 612-676-6810 or 1-800-688-2534 toll free, 8 am – 8 pm, seven days a week.
