the ABC & D of Medicare

Just getting started? Learn about the ABC & D of Medicare, what they cover and when to enroll.

Original Medicare is made up of two parts – **Part A** and **Part B**

Part A – hospital coverage

Medicare Part A helps pay for inpatient hospital and skilled nursing facility stays, hospice care and home health care.

Part B – medical coverage

Medicare Part B helps pay for a wide range of medical expenses including doctor visits, many preventive screenings, lab tests, X-rays, outpatient procedures, mental health services, durable medical equipment and more.

Advantage plan

Part C – Medicare Advantage plan

Think of Part C (Medicare Advantage plan) as a package.

It combines Part A with Part B, then may add special benefits that Medicare does not cover, such as vision and dental care. Many packages even include Part D prescription drug coverage.

Discover the all-in-one convenience of a Medicare Advantage plan. Get all your health benefits in one package and find peace of mind in protecting your health and managing your out-of-pocket costs.

Part D – outpatient prescription drug coverage

Part D is available to anyone enrolled in either Medicare Part A or Part B. Part D can be purchased through two types of health plans: Medicare Advantage plans that include Part D or stand-alone prescription drug plans.

You must choose whether or not to enroll in Part D when you first become eligible for Medicare. Keep in mind that if you decline it, but decide you want this coverage later, you may have to pay a penalty.

Most Part D plans have a monthly premium, and benefits and drug costs that vary by plan. Each health plan publishes a list of covered drugs called a formulary.

When am I eligible for Original Medicare?

You qualify for Medicare if you:

- Are 65 or older or meet special criteria
- Worked for at least 10 years and paid Medicare taxes (or your spouse did)
- Are a citizen and permanent resident of the United States

How do I enroll in Original Medicare?

You may apply online at ssa.gov/medicare, via telephone appointment at 1-800-772-1213 (TTY users call 1-800-325-0778), or in person at a local Social Security office.

When can I enroll in a Medicare Advantage plan?

Medicare has limits to when and how often you can change your Medicare Advantage plan. These specific time frames, called “election periods,” determine when you can enroll in, or voluntarily disenroll from, a Medicare Advantage plan.

Initial Coverage Election Period (ICEP)

When you become eligible for Medicare (either by age or disability), you may enroll in Original Medicare and a Medicare Advantage plan during your Initial Coverage Election Period (ICEP). When you enroll during the ICEP, the soonest Medicare allows us to accept your enrollment application is three months before you become eligible.

If you have had Part A and are just applying for Part B, the ICEP is limited to the three months prior to your enrollment in Part B.

Enroll when first eligible

You have a seven-month period (three months before you turn 65, the month you turn 65, and three months after your birthday month).

Example birthday is July 4

Late enrollment penalties

If you don't sign up for Part B and Part D when you first become eligible, Medicare may apply a penalty if you decide to sign up later. You'll pay the penalty for as long as you have Part B and Part D coverage. Some exceptions apply.

When can I make changes to my Medicare plan coverage?

Annual Election Period (AEP)

Every year between October 15 and December 7, you can make a plan change to be effective on January 1 of the following year. This change may include adding or dropping Medicare Part D.

Note: Medicare Advantage plans release their rates and benefits for the following year on October 1.

**Annual Election
Period**

**Coverage

Special Enrollment Periods (SEPs)

You may qualify for a Special Enrollment Period at any point during the year if you:

- Are leaving or losing coverage through an employer or union (including COBRA)
- Move to an area where your plan isn't offered
- Are on Medical Assistance or no longer qualify for Medical Assistance
- Receive Extra Help for Medicare Part D
- Are losing your current coverage or your plan is no longer offered

Medicare Advantage Open Enrollment Period (MA-OEP)

During the MA-OEP, Medicare Advantage members may enroll in another Medicare Advantage plan or disenroll from their Medicare Advantage plan and return to Original Medicare (limited to one change). This period runs from January 1 through March 31 or if you are newly enrolled in Medicare, within your first three months of enrollment.
